

May 5, 2018

Basketball Administrators and Coaches,

The Nike HYPERELITE Basketball does not meet the specifications as outlined in the NFHS Basketball Rules Book. The cover of the ball does not meet the description of deeply-pebbled. Its appearance is more of a pitted cover as in a golf ball. This ball has been declared as illegal and should not be used in any of your high school contests.

Theresa D. Wynns

Director of Sports and Officials
