As you know by now, the OSSAA Complimentary Playoff Passes will be issued digitally this year through GoFan, the OSSAA's Official Digital Ticketing Partner. We hope that everyone has had time to find their pass codes on the membership side of the OSSAA website. There are two (2) buttons at the top of that page that will allow you to print off your list of codes to either an excel spreadsheet or to a PDF. This will allow you to have the people receiving the pass come to your office to get their code if you don't want to send out e-mails with codes. Just be sure to mark off each code after you assign it to someone as the codes can only be used one time.

To access your pass, you will need to complete the following steps:
