Directions:

- 1) Clearly print the first and last name of each senior player and include the district/region/area number in the blank above. For more than 4 seniors, please submit additional forms.
- 2) For each round, write the total individual toss-up points scored by the Senior per quarter, the team toss-up points per quarter scored while the Senior was in, and the Q2 and Q4 lightning round points earned per quarter while the Senior was playing in the appropriate boxes.
- 3) For each round, put the Round Team Total score in the box. This will not necessarily match the total points your team scored in the game since you only include quarter points scored when the Senior was in.
- 4) If the senior did not play a particular quarter, put an X over that particular quarter's section and do not include points for that quarter in the team total points.
- 5) Put the total individual toss-up points & total toss-up quarters played for each player in the far-right box. Put the total team points earned when Senior was playing in the other box at the right.
- 6) Take a picture of your Team Record Form to keep for your records and give the completed form to the tournament manager at all OSSAA Meets.
