RE: Regional Cheerleading Information and Regional Competition Assignments  
DATE: August 23, 2023

Below you will find assignments and other information for the regional cheerleading competition. Please review this material carefully, as there will be no mailing to your school. The regional competition will be held on September 16, 2023.

There will be three Regional Competition sites, Broken Arrow High School (6A, 4A and Large Co-Ed), Chickasha High School (Small Co-Ed and 5A), Stroud High School (3A, 2A). Each competition will begin at the assigned times. Due to larger entries, some classifications will be divided into two groups—I and II, and two plaques will be awarded in those classifications. This will allow for all squads within a classification to be judged by the same panel of judges. **You will be sent information from your assigned site via email prior to the competition.**

Floor passes for the regional competition can be picked up at the check-in table at your regional site. These are the **ONLY** passes you will receive for regionals, lost or misplaced floor passes will not be replaced. Floor passes are for coaches only, **no extra squad members may be on the competition floor at any time.** Only those participating in the routine are permitted on the competition floor or in the competition area. A violation of this policy will result in only 1 floor pass being issued at the next level of competition in which the team participates.

Fans and squads are **not allowed** to bring spirit posters, banners, etc. Only online tickets will be sold at each regional site, there is an online service fee for tickets, the total cost is \$8.35. **NO PAPER TICKETS CAN BE PURCHASED AT THE SITE.** The link for purchasing tickets can be found on the homepage of OSSAA.com and will open Monday, September 4 at 9 am. The 2023-2024 OSSAA play-off pass will be the only pass accepted and must be presented with a driver's license.

**STATE CHAMPIONSHIP PROGRAM:** Please remember that we will have a State Championship Program. You should email your squad's picture and roster to Rod Coulter at [programs@vype.com](mailto:programs@vype.com), **no later than September 15, 2023.**

It is mandatory that cheer squads remain in their school uniforms throughout the entirety of the competition for their respective classification. This includes the awards portion of the competition.

**STUNT REVIEW PROCESS:** Any requests for stunt review must be send to [mwoods@ossaa.com](mailto:mwoods@ossaa.com). You will receive a written response to your review request within 48 hours via email. If you had a stunt reviewed regarding the legality of your squad's routine you must take a copy with you to your regional site. Stunt reviews may be submitted until September 11, 2023.

## **POINTS OF EMPHASIS:**

- MUSIC COMPLIANCE STATEMENT:** Please use the ClicknClear.com site to upload your music. Music from the ClicknClear site can be altered and must be uploaded to the site by September 11. To use Clicknclear go to [NFHS.clicknclear.com](http://NFHS.clicknclear.com). You may also complete the music compliance form found on the Spirit page of OSSAA.com. If you choose to use the form, please be sure to bring it with you to the regional competition.
- The area used for competition must be matted.
- The squad must use a minimum of one and one-half minutes of the two-minute time limit. Up to 45 seconds of music may be used in accordance to the above requirements. There is no minimum time limit. Music in a routine will not affect the judging of the routine in any manner. Cheer coaches will be responsible for playing their own music at both the regional and state competitions. A sound system will be provided.
- The timing begins after the squad has set in formation on the matted area with the first motion, word, skill, or music. The timing ends with the last word or motion. The squad must use a minimum of 1 ½ minutes of the two-minute time limit.
- Use of or the attempted use of illegal stunts or formations will result in a 10-point deduction per score sheet at the regional competition. A rule violation at State will result in a disqualification.
- If the cheer routine is interrupted by an injury to one of the participants, the coach may choose to finish the routine from the point of interruption or choose to take the score earned to that point, without any deduction for the minimum time limit not being met.
- In the event of a tie, all judges' score sheets will be used for the tied squads. If the additional score sheets do not break the tie; the teams will be awarded the appropriate places.
- Participants will remain in the stands as qualifiers are announced, and awards are given at each regional site.
- Coaches who have not attended a rules meeting will be prohibited from coaching.
- The performance order for the squads competing at the Regional and State competition has been set by the OSSAA staff. (NOTE: The order has been randomly selected by the OSSAA staff.) The order of competition is listed on each regional sheet. An emergency will be the only exception for being late. If an emergency occurs, contact the site manager.
