Rules Meeting
2025 State Tennis Rules Meetings

The face-to-face Rules meeting will be held at the OTCA Winter Clinic (date, time and location announced in November on www.okhighschooltennis.com)

If you are re unable to attend the face-to-face meeting a recorded version will be posted to the tennis page of OSSAA.com after the OTCA clinic. You must complete the on-line meeting by March 1. The link to the meeting will be posted to the Tennis page of OSSAA.com by January 30.

State Rules meetings are mandatory for head coaches and must be completed by March 1. Failure to comply will result in the suspension of the head coach from all interscholastic competition until the coach is in compliance.

EDUCATION-BASED ACTIVITY PROGRAMS

The National Federation of State High School Associations and the Oklahoma Secondary School Activities Association recognize the numerous potential benefits of participation by students in education-based activities. While education-based activities may differ between the stakeholder groups, all should be centered on optimizing the student's scholastic activity experience. Students will change, develop and expand abilities over time; coaches, administrators and parents should not only be cognizant of the fluid process, but also foster a safe, positive environment in which development can occur. Education-based activities must always be viewed as an evolving and unpredictable path.

The NFHS and the OSSAA recognize the influential role played by coaches and directors in all activities, and therefore emphasis should be placed on those individuals to instill and reinforce fundamentals and best practices, not only to minimize risk but also to promote an environment in which a student has the opportunity to reach his or her full potential. The common goal for all the stakeholders involved with education-based activities should be to make the experience enjoyable and rewarding for the all.

While our position is not intended to squelch dreams of achieving a college scholarship or professional or Olympic glory, we do place emphasis on the student's entire scholastic activity experience with the goals of enhancing participation, reducing injury risk, and optimizing performance and success (however defined) during the student's high school career. The ultimate goal; Producing an individual who is competent, confident, connected to his or her peer group and community, and of high character. This essential principle is at the core of the scholastic activity experience and is fundamental to the mission.

DIVERSITY, EQUITY AND INCLUSION (DEI)

Promoting education and the understanding of groups that have social and cultural differences is an integral part of education-based activities. Every student participating in activities at an OSSAA member school is entitled to participate in a safe school environment that is free from bias. Any form of bias (including demeaning comments, racial, ethnic, or homophobic slurs) based on social or cultural differences will not be tolerated

SPORTSMANSHIP RESPONSIBILITIES

Ensuring good sportsmanship at OSSAA member schools requires the responsibilities of different groups be coordinated and carried out at each contest involving secondary level students.

1. **School Administration:** The responsibility for fan behavior resides with the participating school administrations from each participating school (combined with the host site security in neutral site contests). School administration must provide adequate supervision at the venue. Negative behavior targeting participants or officials must not be tolerated. Removal of non-compliant fans shall be managed by the administrative team. A report detailing the circumstances must be sent to the OSSAA anytime a fan is removed from a contest.
2. **Coaches:** Head coaches must communicate expectations for fan/parent, and player behavior. Communications should include consequences for unruly fan/parent or player behavior and be shared with each player and the player's parent/guardian.
3. **Officials:** Officials shall, upon arrival at the contest, meet with on-site administration to ensure lines of communication are open and officials know where to find school administration should a problem arise outside the playing area. Under no

circumstances should an official directly remove a person outside the playing area from the venue. The administrative team or designee will be responsible for removal of any fan.

4. **Participants:** Participants experiencing inappropriate behavior from other participants and/or non-participants during the contest must communicate those issues directly to their coaching staff to ensure identifiable issues are addressed by the administrative teams.

NOTE: ALL NEW RULES, REGULATIONS, AND POLICIES ARE UNDERLINED.

I. CLASSIFICATION

Class 6A will consist of the first 32 schools on the ADM sheet.
 Class 5A will consist of the next 32 tennis playing schools.
 Class 4A all remaining playing tennis playing schools.

The USTA Friend of Court playing Rules will be used by the OSSAA.

II. SEASON

- A. Organized practice for Tennis may begin no earlier than December 1. Organized practice is defined as school or anticipated school personnel directly or indirectly giving individual or team instruction concerning the fundamentals of a particular sport. From the close of the season for tennis to the start date of December 1, no organized practice in that sport may take place. However, certified school coaching personnel for that sport are permitted to provide instruction in that sport in a physical education class during the regular school day.
 If a member school does not schedule a physical education class during the regular school day, then an additional period may be scheduled immediately after the close of the regular school day, not to exceed one hour for the purpose of conducting a physical education class, and instruction in a particular sport may be provided by certified school coaching personnel to students during that additional one-hour period.
 Time spent transporting student participants to an off-site facility or from one school site to another for the purpose of providing instruction in a particular sport during a physical education class or during the one-hour period immediately following the school day shall not be counted toward the time allowed for off-season instruction. The practice period shall begin immediately upon the arrival of the athletes.
- B. OSSAA sanctioned tournaments and matches may begin March 1.
- C. Each team is allowed three scrimmages prior to March 1 with the first scrimmage date may occur anytime after December 1. Anytime there is participation against a school team that consists of any player(s) not currently enrolled in your school will be considered a scrimmage. There will be no loss of instructional time for scrimmages. There will be no sanctioned tournaments or matches prior to March 1. No team shall be allowed to scrimmage in Tennis after March 1. Scrimmages cannot be used for seeding information and will not count against the number of matches allowed.
- D. State Rules Meetings for all sports will be mandatory for each Head Coach. Proof that you have completed the on-line rules meeting must be submitted to the OSSAA. All head coaches of spring activities must complete their state rules meeting by March 1st. The penalty for failure to attend a state rules meeting or complete the online rules meeting and proper documentation submitted to the OSSAA office by the prescribed deadlines, will result in the school suspending the head coach for all interscholastic competition until the coach is in compliance and proper documentation has been submitted and verified by the OSSAA.

III. CONTEST LIMITS AND PARTICIPATION

V. REGIONAL AND STATE TOURNAMENT REGULATIONS

A. Regional Tournament Regulations

1. All regional tournament entry forms and updated seeding information should be brought directly to the regional seeding meeting. Do not send seeding information to the OSSAA. Forms can be found on the Tennis page of ossaa.com.
2. Rule on position of players:
 - a) The #1 singles player must be better than the #2 singles player.
 - b) The #1 doubles team must be better than the #2 doubles team.
3. The regional tournament manager will conduct a seeding meeting the morning of the tournament. All players will be seeded at the Regional tournaments. The seeding meeting will be no earlier than 8:00 a.m. If there is no seeding information available or there are questionable lineups, entries will be subject to protest by participating coaches. Any protest will be decided by a majority vote of the participating coaches present at the seeding meeting.
4. The seeding information criteria to be used at each regional tournament seeding meeting will be as follows:
 - a) Direct wins will be the first criteria used. If there is an even split in direct matches, the most recent win will determine the seed. Defaults can be counted as a direct win or loss to that opponent during that match. If there is a default after that match is completed, it counts as a win to the next opponent on that day. Defaults cannot be used as an indirect or a comparative score.
 - b) Indirect wins will be the second criteria used.
 - c) Comparative scores will be the third criteria used. There must be a minimum of three games to consider. If two players have a common opponent and one or both have played a common opponent once and/or more than once, then the best result will be compared. Comparative wins and losses will be compared equally. A split set comparative loss is better than a two-set comparative loss even if fewer games are won in the split set loss. In comparative wins, a straight set win is better than a three-set win.
 - d) Competition (strength of opponent) may be considered when determining a seed but is not required.
 - e) In regional tournament play, if the criteria in a, b, c, and d does not decide the seed, the seed will be decided by a majority vote of the participating coaches present at the seeding meeting.

 - b) The #2 singles players will compete in the #2 singles bracket.
 - c) The #1 doubles team will compete in the #1 doubles bracket.
 - d) The #2 doubles team will compete in the #2 doubles bracket.
 - e) If there is only one entry in singles or one doubles team, they must compete in the #1 bracket. **EXCEPTION:** If the regional is moved from the original date announced by the OSSAA due to weather or some other reason, then the one entry in singles or one doubles team that has been playing in the #2 bracket all year DOES NOT have to move up and compete in the #1 bracket. The coach **must** provide documentation at the regional seeding meeting that this singles player or doubles team has been playing at the #2 position for most or all of the year. The decision to allow this will be decided on by a majority vote of the coaches competing at that regional.
 - f) A #1 player shall not compete in a #2 position.
 - g) A player may be entered in either singles or doubles, but not in both.
 - h) A school may enter two singles players and alternates, and two doubles teams and alternates. Any player used in singles or doubles may not be used as an alternate.

The #1 seed on line one, the #2 seed on line eight, #3 seed on line 5, and the #4 seed on line four, and all other placements will be drawn at random, unless a majority vote is made by all coaches to seed all eight placements.

The #1 on line 1, #2 on sixteen; #3 on line 9; #4 on line 8; #5 on line 5; #6 on line 12; #7 on line 13 and #8 on line 4. Byes are given to the #1 seed first, #2 seed second, etc. , All other placements will be drawn at random, unless a majority vote is made by all coaches to seed all eight placements.
 - k) For regional tournament play, coaches must designate their #1 singles, #2 singles, #1 doubles, and #2 doubles players on their OSSAA Regional Entry Form. Once designated, the players must remain in these positions for regional and state tournament play.
 - l) If a #1 player is injured or ill, a coach may move a #2 player into his/her position and use an alternate at the vacated #2 position. A #1 player can never be moved into a #2 position.

Coaches may also coach off-court between points without interrupting the flow of play. Play should be continuous.
- p) All regional tournament competition will be played with a feed in consolation concept. There will be play for all eight positions on an eight-point bracket and twelve positions on a sixteen-point bracket.
- q) Scoring on an eight-point bracket will be: 9, 7, 6, 5, 4, 3, 2, 1; and on a sixteen-point bracket it will be: 12, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1.
- s) In the event of a tie for team finishers, co-champions or co-runners-up will be declared. A coin toss will determine which school will receive the appropriate trophy. Try-outs should only be conducted for the purpose of the selection of a school team and may not be used for practice time. Each day of the try-out may be up to 2 hours in length. No off-season try-out will be allowed for more than three days, and all sessions of the try-out must conclude by 9 p.m. A record of all try-outs should be kept on file at the member school detailing the dates, times, and grade level of all participants in the tryout. The OSSAA reserves the right to request these records from a member school. Exception: Spirit may conduct a clinic of no more than 4 days, each day of the try-out clinic may be up to two hours in length. All students participating in the tryout must be attending school in the district for which the try-out is being held.

SUMMERTIME DEAD PERIOD

The dead period will occur during the week in July that includes the 4th of July each year. The dead period will be nine (9) days in length and begin the weekend preceding the 4th of July and the weekend following the 4th of July.

Secondary-level students enrolled or pre-enrolled at a member school may not use any member school's athletic facilities during the dead period in connection with any athletic activity governed by the OSSAA. Member school coaches, assistant coaches and sponsors may not have any contact with secondary-level enrolled or pre-enrolled students in that member school in any athletic activity governed by the OSSAA for the purpose of coaching, training, or instructing.

Summertime policies, including beginning and end of season restrictions, can be found in OSSAA Board Policy XI in the Administrator's Handbook.

Violations of the summertime dead period policy will result in the coach or sponsor being suspended from the first half of the regular season in that athletic activity. School personnel not designated as a coach or sponsor in violation of the summertime dead period policy will result in the head coach being suspended from the first half of the regular season in that activity.
