The Royce Brown Business Building is located on the south end of campus close to NW 39th Expressway with parking available in the lot immediately east of the building. However, please be advised that many of the intersections are under construction so you will likely need to follow a detour to get on and off campus. Please read this note from Dennis Savill carefully:

Community Traffic Adjustments

Beginning Tuesday, September 3, 2024, the intersections of 39th Expressway and Asbury Avenue, College Avenue, and Peniel Avenue WILL ALL BE CLOSED TO NORTH/SOUTH TRAFFIC. You will still be able to travel east and west along 39th Expressway, but you will not be able to turn south or north on any of these Bethany streets from 39th Expressway. This means that ACCESS TO SNU'S CAMPUS from any of these streets CAN ONLY HAPPEN FROM NW 42ND STREET ON THE NORTH SIDE OF SNU CAMPUS.
