VISITING TEAM INFO

Team Buses

In order to keep traffic flowing smoothly, we ask you to please follow these instructions. All buses, that will be dropping their team off at the McClendon Athletic Center (MAC), should enter through the main entrance off 122nd Street. Continue heading south on Alumni Drive, past the softball field, and enter the MAC parking lot through the west entrance. Once in the parking lot, please pull all the way down to the east end of the building. Teams should be dropped off at the northeast corner of the MAC, and enter through the team entrance. Signs will be placed to help assist you. After drop off, buses should then continue on to our dedicated bus parking, located in the upper school parking lot. If you choose not to drop off your team at the MAC, you can use the east entrance off of 115th Street, for convenient access to our bus parking. To avoid traffic issues, we ask that buses do not pick up their team in the MAC parking lot, following competition. Buses should use the pick-up lane in front of the middle school if they will be picking up their team. With so many buses coming and going throughout the day, your cooperation will be greatly appreciated.

Team Check-In

Teams should arrive as close to their check-in time as possible. All teams need to enter the MAC through the team entrance, located on the northeast corner of the MAC. Signs will be posted to help assist you. Once inside, we will have staff on hand to help direct all teams to where they need to be. Unfortunately, we cannot provide every team with a locker room, but we will have three locker rooms available in the warm-up gym for teams to use, if needed. We ask that teams do not leave anything in the locker room unattended. Once ready, teams should wait in the bleachers of the warm-up gym until called. Please be ready and on time to keep the competition running smoothly.

Ticket Information

Tickets are available online or can be purchased at the gate for \$10 per ticket. The online ticket link can be found on the homepage of the OSSAA website. All students (K-12) and adults will require a ticket to enter the facility. The only pass accepted will be the OSSAA Playoff Pass.

Spectator Seating

Seating will be available on either side of the competition mat. Spectators will enter the bleachers from the competition floor. We ask spectators to please be courteous of all teams and not leave the stands during a team's performance. We will try our best to keep the doors to the competition floor closed during the performances and encourage spectators to enter and exit between performances.
