WRESTLING INFORMATION

- If any coaches are having issues with access to the Trackwrestling OPC (body fat testing mechanism), please contact Wes Ruth at wruth@ossaa.com.
- Any sites that would like to host a regional tournament, please send a request on school letterhead with admin signature.

SPORTSMANSHIP

- As we prepare to go inside for the winter sports, please remind coaches, athletes, and parents to promote sportsmanship.
- If you have witnessed an act of sportsmanship, please share it with us so we can accent student-athletes and programs from across the state.
- Please talk to your coaches, athletes, and parents about our “egregious” policy. We see more egregious acts take place during indoor activities.
