OKC Fairgrounds Clear Bag Policy for spectators

Jim Norick Areana at the Oklahoma City Fairgrounds has a clear-bag policy as well as metal detectors for all OSSAA events. All spectators are required to comply.

Clear bags must be a maximum of 12 inches x 6 inches. The policy does allow non-transparent clutch wallets that are no larger than 4.5 inches by 6.5 inches. Bags necessary for medical equipment will be searched at each gate.

No other bags or purses including diaper bags will be permitted—one bag person.

Participants and spirit team members may carry their non-transparent equipment bag or backpack through the participant entrance; however all bags will be searched.
