2025 State Tournament Information  
DATE: April 28, 2025

### PLEASE CAREFULLY REVIEW ALL REGIONAL AND STATE TOURNAMENT INFORMATION

#### REGIONAL TOURNAMENT INFORMATION

The 2025 regional tennis tournament assignments for all classes are listed below. All girls' regional tournaments are scheduled for Monday, May 5. All boys' regional tournaments are scheduled for Monday, May 12.

Updated seeding information should be brought directly to the regional tournament seeding meeting. All players will be seeded at the Regional tournament.

**Please DO NOT** send any regional tournament seeding materials to the Activities Association.

The coaching staff may consist of a maximum of three coaches, which includes the head coach (head coach plus two assistants). These coaches will be the only coaches allowed to coach during the regional and state tournaments.

The regional tournament manager will conduct a seeding meeting the morning of the tournament. The seeding meeting will be held no earlier than 8:00 a.m. The regional tournament manager should notify each assigned school of time and place of seeding meeting. If you have not heard from the regional tournament manager by Friday before the Monday regional tournament, it is your responsibility to call the manager. If there is no seeding information available or if there are questionable lineups, entries will be subject to protest by participating coaches. Any protest will be decided by a majority vote of the participating coaches that are present at the seeding meeting.

The seeding information criteria to be used at both the regional and state tournaments seeding meetings will be as follows:

1. Direct wins will be the first criteria used.  
If there is an even split in direct matches, the most recent win will determine the seed.
2. Indirect wins will be the second criteria used.
3. Comparative scores will be the third criteria used.  
If two players have a common opponent and one or both have played a common opponent once and/or more than once, then the best result will be compared. Comparative wins and losses are equal.
4. Competition will be the fourth criteria used. (strength of schedule)
5. In regional tournament play, if the criteria in 1, 2, 3, and 4 do not decide the seed, the seed will be decided by a majority vote of the participating coaches present at the seeding meeting. In state tournament play, if the criteria in 1, 2, 3, and 4 do not decide the seed, the seed will be decided by the respective class Tennis Advisory Committee.

Please be reminded of the rules on position of players:

1. The #1 singles player **must be** better than the #2 singles player.
2. The #1 doubles team **must be** better than the #2 doubles team.
3. The #1 players must play either #1 singles or #1 doubles.

In regional tournament play, each singles or doubles entry must furnish one can of new balls with the winner of each match carrying the new balls forward to the next match. The loser will receive the used balls. The Activities Association will furnish balls for the state tournaments.

Official brackets are posted on the Tennis page of OSSAA.com for the regional tournament managers. There shall be no change made in the brackets unless weather conditions do not allow the completion of non-state qualifying matches.

The 2025 Friend At Court playing rules are the rules used for high school play.

For additional information regarding regional tournament play, please refer to your 2025-2026 OSSAA Tennis Manual.

### **STATE TOURNAMENT INFORMATION**

The 2025 State Tennis Tournament schedule is below. **READ THIS SCHEDULE CAREFULLY.**

The Girls State Tournament will be played on May 9 and 10, and the Boys State Tournament will be played on May 16 and 17. ALL STATE TOURNAMENT MATCHES WILL BE PLAYED AT THE OKLAHOMA CITY TENNIS CENTER located at 3400 N. Portland in Oklahoma City.

**Participants MUST report to the tournament desk at least 30 minutes before the scheduled starting time for their respective match.**

The open seeding meeting for the Boys State Tournament will be held Thursday, May 15 at Heritage Hall Upper School beginning at 5:00 pm the meeting will end no later than 7:00 pm.

At the State Tournament seeding meetings, the representatives for each classification will present the seedings. If you dispute any position, that position may be discussed. If an agreement cannot be reached on making a change to the original seedings, the representatives from the Advisory Committee will make the final decision. Decisions are final and not appealable to the OSSAA.

If a player qualifies for the State Tournament and cannot participate because of illness, injury, graduation, academic eligibility or death in family, an alternate from the respective team's alternate list may be used. If there is no alternate listed or available, then the 5<sup>th</sup> place finisher(s) from the regional tournament event will advance to the state tournament. If the 5<sup>th</sup> place finisher(s) is or are not available, the 6<sup>th</sup> place finisher(s) from the Regional Tournament will advance. **Notify Amy Cassell at the OSSAA immediately if you have a qualifier who will not be participating in the State Tournament.**

To aid the roving umpires in identification of coaches at the State Tournament, coaches will be given a visible identification tag before the state tournament begins. Identification tags will be given out at the State Tournament's Thursday night seeding meetings, and Friday morning at the State Tournament site if a coach did not attend the Thursday night seeding meeting. Coaches shall wear this visible identification tag at the state tournament site at all times. **Any coaches' credentials distributed to a non-school coach will result in the person and the coach being removed from the tennis center.**
