EDUCATION-BASED ACTIVITY PROGRAMS

The National Federation of State High School Associations and the Oklahoma Secondary School Activities Association recognize the numerous potential benefits of participation by students in education-based activities. While education-based activities may differ between the stakeholder groups, all should be centered on optimizing the student's scholastic activity experience. Students will change, develop and expand abilities over time; coaches, administrators and parents should not only be cognizant of the fluid process, but also foster a safe, positive environment in which development can occur. Education-based activities must always be viewed as an evolving and unpredictable path.

The NFHS and the OSSAA recognize the influential role played by coaches and directors in all activities, and therefore emphasis should be placed on those individuals to instill and reinforce fundamentals and best practices, not only to minimize risk but also to promote an environment in which a student has the opportunity to reach his or her full potential. The common goal for all the stakeholders involved with education-based activities should be to make the experience enjoyable and rewarding for all.

While our position is not intended to squelch dreams of achieving a college scholarship or professional or Olympic glory, we do place emphasis on the student's entire scholastic activity experience with the goals of enhancing participation, reducing injury risk, and optimizing performance and success (however defined) during the student's high school career. The ultimate goal: Producing an individual who is competent, confident, connected to his or her peer group and community, and of high character. This essential principle is at the core of the scholastic activity experience and is fundamental to the mission of the OSSAA and NFHS.

DIVERSITY, EQUITY AND INCLUSION (DEI)

Promoting education and the understanding of groups that have social and cultural differences is an integral part of education-based activities. Every student participating in activities at an OSSAA member school is entitled to participate in a safe school environment that is free from bias. Any form of bias (including demeaning comments, racial, ethnic, or homophobic slurs) based on social or cultural differences will not be tolerated in education-based activities.

NOTE: ALL NEW RULES, REGULATIONS, AND POLICIES ARE UNDERLINED**I. SCHOOL PARTICIPATION**

High schools that plan to participate in the 2026 Girls Slow-Pitch Softball should complete the Spring Slow-Pitch Softball Entry Form on or before February 1, 2026. Head Coaches will be required to sit out the first game of the year if the entry form is not completed by the due date. (Facility and Entry forms must be filled out on the OSSAARankings.com website).

II. CLASSIFICATION

A. Enrolled schools will be divided into six classifications based on the ADM of each high school. The classifications will be based on the ADM sheets from the 2025-2026 school year. Classifications will be locked down on February 20, 2026. Schools adding or dropping slow-pitch softball after the date when the classifications are released will not affect any classifications.

1. 6A – Top 24 playing schools
2. 5A - next 48 largest slow-pitch softball playing schools
3. 4A - next 48 largest slow-pitch softball playing schools
4. 3A - next 48 largest slow-pitch softball playing schools
5. 2A, A, and B - all remaining slow-pitch softball playing schools are divided approximately equally

III. BEGINNING OF SEASON, ALLOWED SCHEDULE, PLAY-OFF DATES, AND RANKING PROGRAM

A. Scrimmage dates:

1. Classes 4A, 3A, and 2A A and B - February 5, 2026
2. Classes 6A and 5A - February 12, 2026

B. Teams may start playing scheduled games March 1.

C. In addition to the Activities Association sponsored championship tournament series, teams and/or individuals shall be limited to not more than the number of match games and tournaments as established by the OSSAA Board of Directors. This regulation shall apply separately to fall and spring baseball and/or softball seasons.

Organized practice for slow-pitch softball may begin no earlier than December 1. Organized practice is defined as school or anticipated school personnel directly or indirectly giving individual or team instruction concerning the fundamentals of a particular sport.

No team shall be permitted to scrimmage another school in softball after the state basketball tournament for that particular class without being charged a game for each scrimmage. No instructional time will be lost because of travel to a scrimmage or because of the scrimmage itself. A scrimmage is defined as competition against another school without keeping records, such as scores, etc.

From the close of the season for slow-pitch to the start date of December 1 no organized practice in that sport may take place. However, certified school coaching personnel for that sport are permitted to provide instruction in that sport in a physical education class during the regular school day.

If a member school does not schedule a physical education class during the regular school day, then an additional period may be scheduled immediately after the close of the regular school day, not to exceed one hour for the purpose of conducting a physical education class, and instruction in a particular sport may be provided by certified school coaching personnel to students during that additional one-hour period.

Time spent transporting student participants to an off-site facility or from one school site to another for the purpose of providing instruction in a particular sport during a physical education class or during the one hour period immediately following the school day shall not be counted toward the time allowed for off-season instruction. The practice period shall begin immediately upon the arrival of the athletes.

High school teams may play a total of 37 regular-season games. All games played in a tournament will count toward the 37 total game count. Any time the State Slow-Pitch Championships are extended, the OSSAA office can approve one additional game for State Qualifiers.

Junior High teams may play 25 total games. All games played in a tournament will count toward the 25 total game count.

A 9th grade student is eligible to participate on both the junior high and senior high teams.

FESTIVALS: Teams may play in any number of festivals. Each game played in a festival will count as one of the regular season games. (total cannot exceed 37) A softball festival is defined as any number of teams that come together to play at predetermined times against predetermined opponents. No trophies, plaques, medals, or awards of any kind can be awarded during festival play. Schools are encouraged to play festivals on non-school days in order to reduce the loss of school time.

There will be no play of regular season or tournament games on Wednesday if school is in session. Weekend tournaments are defined as tournaments scheduled Thursday through Saturday and may not begin prior to 10:00 a.m., and no game shall be scheduled to begin later than 9 p.m. Tournaments scheduled to be played Monday through Friday, (excluding Wednesday if school is in session) may not be scheduled to begin prior to 4:00 p.m. and no game shall be scheduled to begin later than 9 p.m.

No more than 5 instructional days shall be missed, with any part of a day to be counted toward the total of five days. If there is an athletic hour at the end of the regular school day, missing that hour shall not count against the total of five days. OSSAA play-off games will be excluded from the 5-day total.

- D. Generally, if the contest, meet, or tournament limits for a particular activity have been exceeded by either a school team or by individual participants from a school, the following sanctions will be applied:
1. The contest(s) that exceed the limitations will be forfeited.
 2. The head coach in that activity shall be suspended from coaching in any regular season contests, at the same level, in the same activity, for the remainder of the current regular season and any championship play-off events for that school year.
 3. The head coach in that activity may also be suspended from coaching any regular season contests, at the same level, in the same activity, in the subsequent season for that activity.
 4. The school will not be allowed to host any playoff contests in that activity during the school year in which the violation occurred.
 5. The program will be placed on warning for a period of one year.
- E. No student shall play on two different teams in the same tournament.
- F. Classes 5A, 4A, 3A, 2A, A, and B district tournaments are to be completed by April 25.
- G. State Championships for Classes 4A, 5A, and 6A on May 5. Classes B, A, 2A, and 3A will be played on May 6.
- H. The OSSAA has an online ranking program for use by school administrators, coaches, and the general public. The program is accessible at the OSSAA website (www.ossaa.com).

For the sports of Football, Fall Baseball, Spring Baseball, Basketball, Fast-Pitch Softball, Slow-Pitch Softball, Volleyball, Soccer, Wrestling (all match scores and team results of invitational tournaments) and Golf (team score), it is mandatory that results from each regular season contest be entered into the ranking program within 24 hours of the conclusion of the contest throughout the season. Once any athletic activity, with the exception of Cross Country, Swimming, Track and Field, and Tennis, enters the play-off series for that activity, those results must also be entered within 24 hours of the conclusion of the play-off contest.

Any coach failing to report the score within 24 hours of the conclusion of a contest will initially be notified in writing of his or her failure to comply by OSSAA Staff. A copy of that correspondence will be sent to the coach's school administrator as well. A second incident of failure to report will result in the coach being placed on warning for a period of one year. A third, and each subsequent failure to report will result in the suspension of the coach for the next contest.

IV. SLOW PITCH RANKING COMMITTEE

Coaches will be required to rank each week according to the ranking schedule posted on each school's respective ranking page at OSSAARankings.com. Coaches will rank 16 teams each week; the high and the low ranking will be dropped. Rankings will open at NOON on Friday of each week and close on Monday at NOON.

A committee selected by the Slow Pitch Coaches Association will monitor the rankings each week. Should a particular team be dropped more than 5 positions in a rankings from one week to the next, the committee will contact that coach for justification for the rankings he or she submitted. Should the justification not meet the established criteria for dropping a team more than 5 positions, the offending school's rankings will be voided and the team penalized 16 points in the current weeks rankings.

V. NOISE MAKERS

For indoor activities: Any type of device that plays music, sounds, or voices, and noise makers of any kind, such as air horns, cow bells, etc. will not be allowed to function/operate. This will also apply to pre-game/contest and post-game contest activities. This rule applies to both regular and postseason games/contests.

For outdoor activities: Noise makers are allowed at outdoor activities unless they interrupt the normal game/contest procedure of announcers, bands, cheer squads, drill teams, or any other game/contest related activities. The game officials have the authority to stop the use of any noisemakers or disruptions that interrupt the normal game/contest procedures. This rule applies to both regular and post-season games or contests.

A throat protector that is part of the mask shall extend far enough to adequately protect the throat. An attached throat protector shall be commercially manufactured, properly attached, unaltered, and worn properly. This would also include any non-adult warming up a pitcher at any time or location within the confines of the field. A catcher shall also wear a body protector and baseball/softball protective shin guards.
- C. Please see the Athletic Director or Principal for precautionary recommendations regarding AIDS and Hepatitis B.
- D. The pitching distance shall be 50 feet.

XVII. CONDUCT OF COACHES AND PLAYERS

- A. When an official banishes a coach or sponsor from the vicinity of the contest and there is no other designated assistant or faculty member present to assume full responsibility of the team or organization, the game or contest must be forfeited. Any school in violation of this paragraph shall forfeit the game, meet, or contest to the offended school, and the school or team in violation shall be placed on warning.
Any coach who is ejected from an interscholastic game, meet, or contest shall be suspended from coaching the next regularly scheduled game, meet or contest (same team and level) in which the team participates. This includes all OSSAA sponsored and play-off activities. In addition, any coach who has been ejected from an OSSAA contest will be required to complete the NFHS Teaching and Modeling Behavior Course. This course must be completed within seven (7) days after being ejected. The coach can be reinstated after verification of his/her completion of the course and any sit-out time that is required by OSSAA rules. A coach who has been suspended from coaching may attend the contest, but he or she must be seated in the spectator area and may not give instructions to the players or the individual who has been assigned to coach the team anytime during the contest. The coach may not coach directly or indirectly in any capacity. The coach may not enter the dressing room at half time, nor will he or she be allowed to be on the court, field, etc., before or during the contest. Any coach who is ejected from a contest a second time during the same activity season shall be suspended from coaching until reinstated by the OSSAA Board of Directors.
- B. **Fighting:** A student who is disqualified during a game or contest because of flagrant or unsportsmanlike conduct shall be ineligible. The student shall remain ineligible for at least one contest before he/she is reinstated by the principal. A student whose flagrant or unsportsmanlike conduct consists of fighting, cursing or using foul language toward a game official will be automatically suspended from participating in a minimum of the next two regularly scheduled games or contests on the same level of competition that his/her team plays. Fighting is defined, but is not limited to, any player or non-player (bench personnel) striking an opponent with arm(s), leg(s), foot(feet), or other object(s), regardless if there is contact with an opponent, biting an opponent, or instigating a fight by committing an act(s) that causes an opponent to retaliate by fighting related to an OSSAA sponsored activity in which the players and non-players are participating. A player or non-player who retaliates by fighting is in violation of the fighting rule. The fighting rule will apply to pre-contest and post-contest sponsored activities. It is mandatory that all head coaches remind his/her team that fighting during the post-game hand shaking ceremonies or conducting themselves in an unsportsmanlike manner after the game will be severely penalized.
The head coach and team will be subject to additional suspension penalties beyond the normal penalties imposed on fighting and unsportsmanlike acts that occur during the contest. Injuries have occurred because of fans climbing over walls and fences, being trampled, or partaking in dog-pile celebrations, etc. at the conclusion of a contest. The celebration by fans, players, or coaches acting in an unsportsmanlike manner (example: pouring water on the coach) after a contest will result in possible penalties imposed against the school. School administrators should be aware that if their student body and fans come onto the playing area after a contest, penalties may be imposed. Any substitute or team member who leaves the team bench (football player leaving the team box, baseball or softball player leaving the dugout, basketball player or wrestler leaving the team bench, etc.) and enters the playing area during a fight or any other serious unsportsmanlike act, shall be ejected. Those players or team members identified by game officials, school administrators, or video tape will be suspended a minimum of one game if they were not involved in the altercation and a minimum of two games (exception: soccer) if they were involved in the altercation. This rule applies to both regular season and play-off games. The suspension applies to individuals/teams on the same level of competition; i.e., varsity

to a varsity game, junior varsity to a junior varsity game, etc.

Any additional penalties by the National Federation Rule Book and the OSSAA Rules and Regulations Handbook would also apply. The rule would apply to all OSSAA-sponsored activities. Any student involved directly or indirectly for fighting or any other serious unsportsmanlike act a second time during the season shall be suspended for the remainder of the season.

C. Public Criticism Policy:

Any school representative who publicly criticizes a contest official, and any contest official who publicly criticizes a school representative in connection with a contest, meet, or tournament, is subject to sanctions. The member school represented by an individual who publicly criticizes a contest official may also be subject to sanctions if the school fails to take appropriate action in response to the school representative's public criticism of the contest official. The sanctions could include a warning or suspension.

Public criticism includes, but is not limited to, comments made to the media or during a broadcast event, and comments made in a public forum.

- D.** When an athletic coach removes his/her team from the playing area, the game shall be forfeited and the school or team automatically placed on probation

XVIII. HAZING

Hazing incidents have no place in the activity programs of our member schools. The OSSAA encourages each member school to develop procedures to inform their students that this type of behavior is not acceptable and should not be tolerated.

XIX. TAUNTING

Any form of taunting which is intended or designed to anger, bait, embarrass, ridicule, or demean others is subject to penalty.

XX. EMERGENCY ACTION PLAN

Any time a member school is hosting a planned activity at a school facility there must be an Emergency Action Plan in place. The plan must be shared with any visiting school. An Emergency Action Plan, or EAP, is a formal written plan, developed by the host site, that identifies potential emergency conditions at the event site and prescribes the procedures to be followed to minimize or prevent loss of life and property.

XXI. OFF SEASON TRY-OUTS

During the school year, only students attending school in the district for which the try-out is held may be permitted to participate in a try-out. Try-outs should only be conducted for the purpose of the selection of a school team and may not be used for practice time. Each day of the try-out may be up to 2 hours in length. No off-season try-out will be allowed for more than three days, and all sessions of the try-out must conclude by 9 p.m. A record of all try-outs should be kept on file at the member school detailing the dates, times and grade level of all participants in the tryout. The OSSAA reserves the right to request these records from a member school.

Exception: During the school year, Spirit may conduct a clinic of no more than 4 days, each day of the try-out clinic may be up to two hours in length. All students participating in the try-out must be attending school in the district for which the try-out is being held.

After the school year concludes, Fast-Pitch Softball, Volleyball, Cross Country and Fall Baseball may conduct a tryout on or after July 15; all other activities may not conduct a tryout outside the school year.

XXII. NOT HONORING A PROTEST

OSSAA will not consider requests to overturn the determinations of game/contest officials in interpreting or enforcing rules at games or contests. In agreeing to participate in a game or contest, a member school, and the individual participants and the coaches or sponsors representing that member school, accept the risk that game/contest officials may make errors in interpreting or enforcing rules at games of contests. Any errors by game/contest officials should be raised with those officials, in a respectful manner, and in accordance with the rules established for that particular activity. The decisions of the game/contest officials are accepted as final.

An exception to this Policy may be granted if in the case of an ejection of a participant from a contest, the game/contest official misidentifies the individual who should have been ejected. The request to review the misidentified player must be submitted to the OSSAA in writing.

XXIII. APPROVAL OF TOURNAMENTS, MEETS, AND CONTESTS

- A. Invitational tournament games and festivals played on school days cannot start earlier than 10:00 a.m.
- B. No member school shall compete in athletics in any interstate tournament or meet in which three or more schools participate unless such event has been sanctioned by all interested state associations, including the National Federation, if required.
- C. All athletic events where three or more schools participate in grades 7 through 12 related directly or indirectly to any activity in which the OSSAA sponsors a play-off series leading to a state championship, should be sanctioned. The responsibility lies with the participating schools as well as the host member school, non-public school host, or any non-school individual host. When more than two schools or teams participate, the students may not be covered by catastrophic insurance unless the event is sanctioned. All entries for out-of-state tournaments and meets shall be forwarded to the OSSAA for endorsement and approval.
- D. All entries for out-of-state tournaments and meets shall be forwarded to the Association office for approval.

XXIV. OFFICIALS AND PROTESTS

- A. The regulations of the OSSAA provide that all officials used in regular season basketball and football competition and OSSAA-sanctioned tournaments where participants are 7th-12th grades must be enrolled with the OSSAA and passed Part I of the National Federation rules examination for that sport.
 - 1. These regulations also apply to regular season competition in baseball, soccer, softball, volleyball, and wrestling where participants are 9th-12th grades. It is strongly recommended that certified officials be used in all competition where participants are 7th-12th grades.
 - 2. In all OSSAA-sanctioned tournaments, certified officials should be used.
- B. One of the calculated risks that coaches must accept is that he/she, his/her players, or the officials may make mistakes during the course of the game or contest. The OSSAA Board of Directors has established a policy of not honoring a protest based upon a rule situation, nor a situation which involves judgment on the part of the game officials.

Whenever a game or contest official has ejected or disqualified a contestant from an athletic contest, the official must submit a written report to the Association's office within twenty-four hours after the end of the contest. The written report must state the reason for the ejection or disqualification.

OSSAA will not consider requests to overturn the determinations of game/contest officials in interpreting or enforcing rules at games or contests. In agreeing to participate in a game or contest, a member school, and the individual participants, and the coaches or sponsors representing that member school accept the risk that game/contest officials may make errors in interpreting or enforcing rules at games or contests. Any errors by game/contest officials should be raised with those officials, in a respectful manner, and in accordance with the rules established for that particular activity. The decisions of the game/contest officials are accepted as final.

An exception to this Policy is allowed when, in the case of an ejection of a participant from a contest, the game/contest official misidentifies the individual who should have been ejected. The request to review the misidentified player must be submitted to the OSSAA in writing.

Ensuring good sportsmanship at OSSAA member schools requires the responsibilities of different groups be coordinated and carried out at each contest involving secondary level students.

- School Administration:** The responsibility for fan behavior resides with the participating school administrations from each participating school (combined with the host site security in neutral site contests). School administration must provide adequate supervision at the venue. Negative behavior targeting participants or officials must not be tolerated. Removal of non-compliant fans shall be managed by the administrative team. A report detailing the circumstances must be sent to the OSSAA anytime a fan is removed from a contest.
- Coaches:** Head coaches must communicate expectations for fan/parent, and player behavior. Communications should include consequences for unruly fan/parent or player behavior and be shared with each player and the player's parent/guardian.
- Officials:** Officials shall, upon arrival at the contest, meet with on-site administration to ensure lines of communication are open and officials know where to find school administration should a problem arise outside the playing area. Under no circumstances should an official directly remove a person outside the playing area from the venue. The administrative team or designee will be responsible for removal of any fan.
- Participants:** Participants experiencing inappropriate behavior from other participants and/or non-participants during the contest must communicate those issues directly to their coaching staff to ensure identifiable issues are addressed by the administrative teams.

Member school coaches, assistant coaches, and sponsors may not have any contact with secondary-level enrolled or pre-enrolled students in that member school in any athletic activity governed by the OSSAA for the purpose of coaching, training, or instructing. Summertime policies, including beginning and end-of-season restrictions, can be found in OSSAA Board Policy XI in the Administrator's Handbook.
