2. The district seeding tournament is to be held on Monday, October 13, 2025.
3. The seeding tournament is a round-robin tournament in which all teams **must participate**. All teams in Classes 4A, 3A, 2A, and A will advance to the regional tournament and all teams in Classes 6A and 5A will advance to the area tournament.
4. Questions for the seeding tournament will be provided by the OSSAA.
5. During the seeding tournament, each team will play a maximum of three games. In the event only two teams participate in the tournament, play the best two out of three games.
6. Moderators, chief judges, scorekeepers and timers will be provided by the schools participating in the seeding tournament.
7. The district seeding tournament should not be held during regular school hours unless ALL schools participating in the tournament agree.
8. During the week of September 29- October 3 or October 6-10, a meeting of the coaches assigned to a district seeding tournament shall be held. The meeting may be conducted by telephone. At that meeting the following items shall be decided:

The remaining pairings and information sheet for the regional, area, and state will be posted on the OSSAA website. The address is www.ossaa.com. From the home page, click on non-athletics and then click on Academic Bowl. There will be no further correspondence from the OSSAA regarding future pairings.

If you are hosting a district, regional, and/or area tournament, please include an emergency contact number in your information that you send to participating schools. This should be a number for which schools can contact the host site on the day of the tournament in case of an emergency.

For a list of available judges and moderators for the playoff tournament, please contact Mike Clark at mclark@ossaa.com. This list is to assist you in finding judges and moderators for your playoff tournament. If you have officials that you have trained yourself and are not on the list, that is fine. The list is **not meant** to be exclusive, but only to assist you if you need help.

Good luck with your Academic Bowl season.

STATISTICS

TEAM	ROUND 1	ROUND 2	ROUND 3	+30 POINTS/WIN	AVERAGE
A.					
B.					
C.					
D.					

To compute average, add points from each round played. Add 30 points for each win. Divide total by number of games played and round to the nearest hundredth. A forfeit counts as a game played by the forfeiting team with 0 points added into the total. A forfeit does not count as a game played for the team to which the game was forfeited.

Teams will exit from the seeding tournament such that the team with an undefeated record will be ranked number one and all remaining teams will be ranked by the average score per round. If no team is undefeated, then all teams exiting the seeding tournament will be ranked by the average score per round.

If two teams are tied by the average score per round, the team that won over the other shall receive the higher seed.

If three or more teams are tied by the average score per round, the following tie breaking criteria will be used to determine the winner:

- A. The team that has answered the greater number of toss-up questions from all district games.
- B. The team that has answered the greater number of first quarter toss-up questions from all district games.
- C. Anytime the tie breaking criteria reduces the number of teams tied to two, the team that won over the other shall receive the higher seed.

*** ALL TIES ON AVERAGES WILL REVERT TO HEAD-TO-HEAD COMPETITION TO DETERMINE THE SEEDING PLACEMENTS.
