For scoring information, please visit www.ossaa.com under the "spirit" tab. Again, no announcements will be made on site.

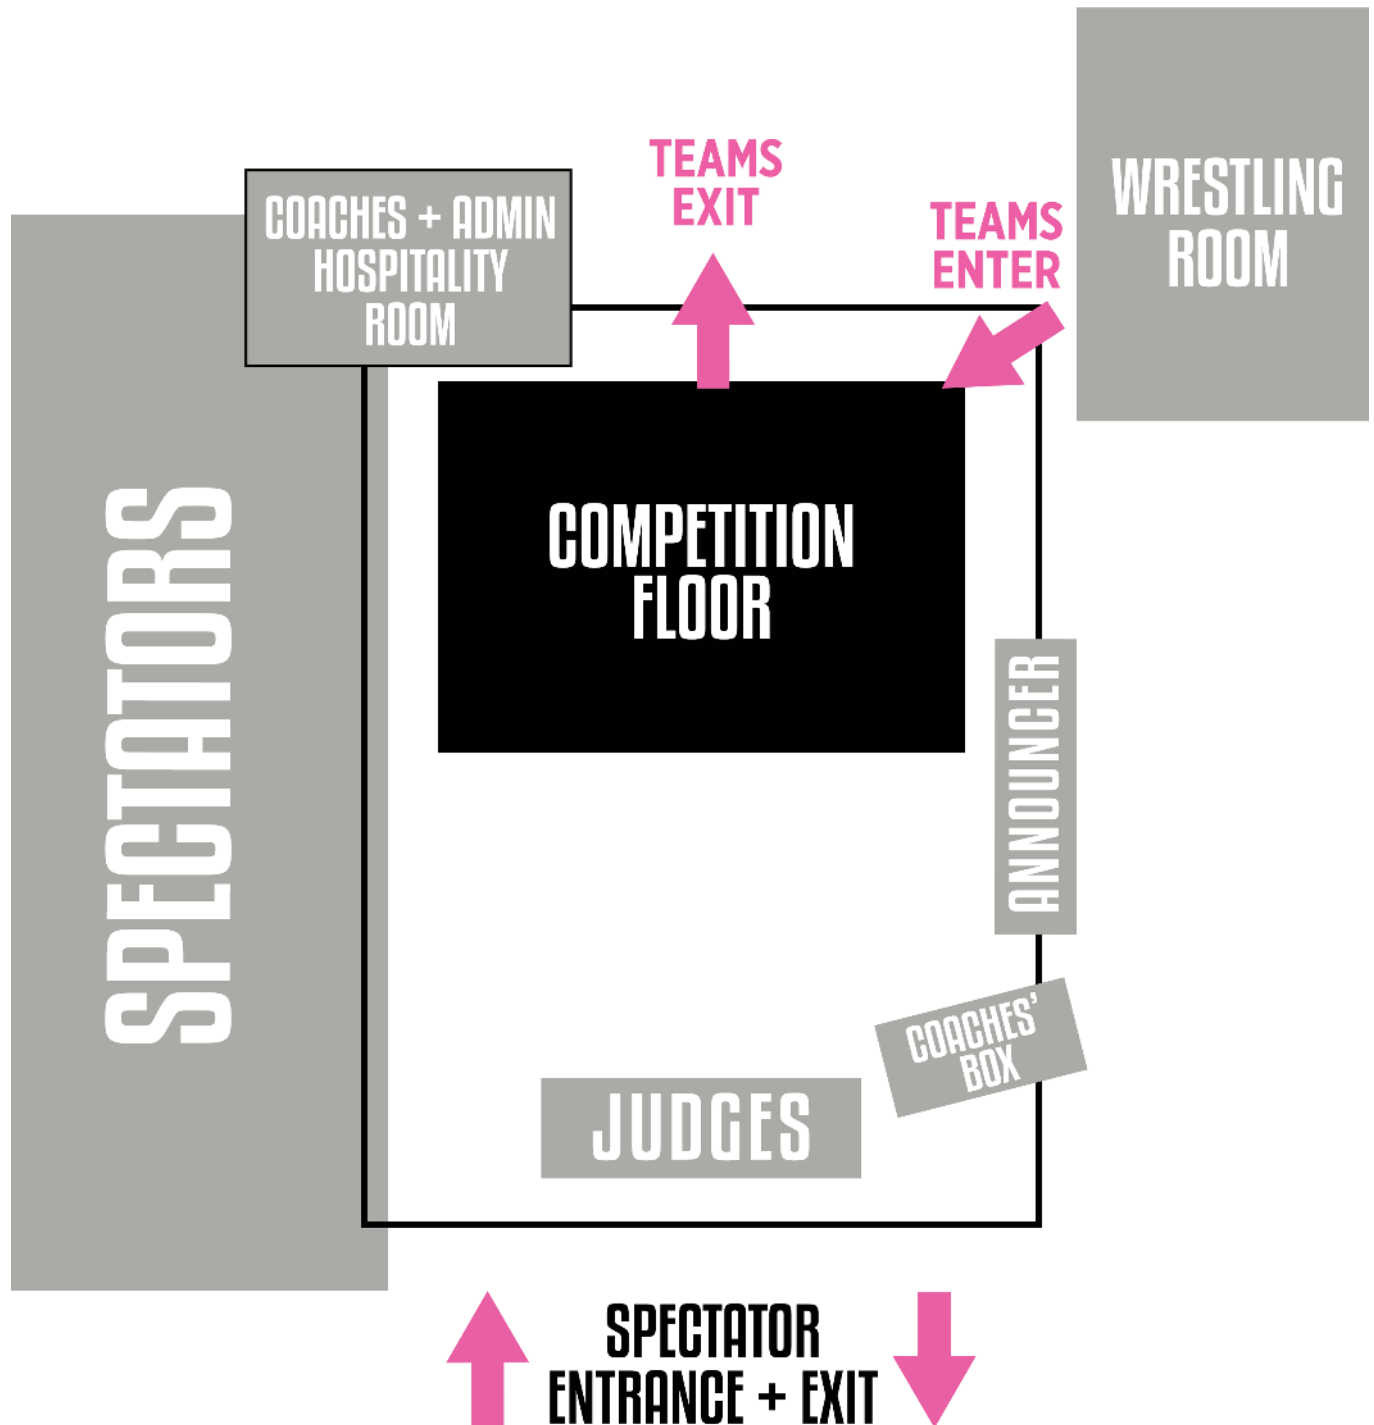

Team Information

Due to such a large event, we ask that teams do not arrive early. If you arrive before your scheduled check-in time, do not plan to enter the warm-up area or the competition gym. We ask that you either stay on your bus or find space outside.

- **Drop Off** - Buses may drop athletes off in front of the middle school. After drop off, buses need to park at the Lower School Activity Center in order to keep parking lots clear for spectators.
- **Event Check-In** - Check-in will be located in the middle school. You will not be able to check-in until your official check-in time. After check-in, your team will be able to stretch and use the restrooms while waiting for the first warm up mat. **At check-in you will pick up + pay for any pre-ordered shirts.*
- **Music** - A headphone jack for iPhone will be provided to plug into the sound system. Any adapters you may need will need to be brought to the announcer's table before your team takes the floor (preferably while your team is on deck). Please note that each team's coaching staff is responsible for starting and stopping all music.
- **Facility Layout** - Please see the attached map which shows how the gym will be set up and where teams enter and exit.

After competing, teams will exit the gym immediately, pick up your bags from the wrestling room and meet your fans outside.
