All head coaches of winter activities must complete their state rules meeting by December 1st. The penalty for failure to attend state rules meeting or to complete an online rules meeting and proper documentation submitted to the OSSAA office by the prescribed deadlines will result in the school suspending the head coach for all interscholastic competition until the coach is in compliance and proper documentation has been submitted and verified by the OSSAA.

II. WRESTLING REGULATIONS

A. CLASSIFICATION

1. Classifications for the 2026 regional tournament competition will be based on the end of the year 2024-2025 Annual Statistical Report from the State Department of Education and the agency-certified ADM numbers from non-public schools. Schools participating in wrestling will be determined by those that indicate participation on their online entry form. **This form should be completed online by October 1, 2025 and can be find by logging into the OSSAARankings site.** Classifications will not be complete until November 1. Any schools dropping or adding wrestling after this date will not affect any classifications. Wrestling classifications will be reviewed once every four years by the OSSAA Board of Directors.

*****IF A SCHOOL MISSED THE ENTRY FORM DEADLINE, THE COACH WILL BE SUSPENDED ONE CONTEST.**

Boys

- a) Class 6A will consist of the first 32 wrestling schools on the A.D.M. sheet.
- b) Class 5A will consist of the next 38 wrestling schools on the A.D.M. sheet.
- c) Class 4A will consist of the next 38 wrestling schools on the A.D.M. sheet.
- d) Class 3A will consist of the remaining wrestling schools on the A.D.M. sheet.

Girls

- a) Class 6A will consist of the first 70 wrestling schools on the A.D.M. sheet.
- b) Class 5A will consist of the remaining wrestling schools on the A.D.M. sheet.
2. Schools shall wrestle in the classification in which their A.D.M. places them.

B. SEASON AND ALLOWED SCHEDULE

1. The collegiate style wrestling (this style is sanctioned and governed by the OSSAA) season shall open on the third full weekend in November. A weekend is Thursday, Friday, and Saturday. The opening date for the 2025-2026 season will be November 20, 2025.
2. The collegiate-style wrestling season for member schools, school personnel, and wrestlers shall close with the state championship tournament. An individual who has represented his school in collegiate-style wrestling during the current season shall not represent his/her school in that sport after the season closes. Students may participate unattached, and school personnel may coach.
3. Member school personnel and anticipated personnel shall not hold organized collegiate-style wrestling practice from the beginning of the school year until October 1. No organized collegiate-style wrestling practice may take place after the OSSAA-sponsored State collegiate-style wrestling championship tournament. Collegiate-style wrestling techniques and procedures may be taught in regularly scheduled physical education classes. When there are no organized physical education

classes scheduled during the school day, a school may schedule an additional class period immediately after the close of the school day. This additional class period shall be for the purpose of conducting a physical education class and shall not exceed in length the time of a regularly scheduled period, which is defined as 60 minutes. A school that is bringing its freshmen and sophomore athletes from another site may schedule its practice period immediately upon the arrival of these athletes, not to exceed in length that of a regular class period for the purpose of conducting a physical education class. The practices will be conducted by the certified school coaching staff. Any individual is limited to the maximum time of a regular class period.

4. Coaches may coach their junior high and/or high school wrestling teams in a maximum of three open collegiate-style wrestling tournaments in November with no loss of school time that are sanctioned or hosted by OSSAA member schools. **Individuals are not eligible to compete in open tournaments in November that are sanctioned or hosted by an OSSAA member school unless they are accompanied by a school coach.** A student must be eligible under all rules and regulations of the OSSAA Administrator's Handbook in order to participate in open collegiate-style tournaments that are sanctioned or hosted by an OSSAA member school during the month of November. The OSSAA will not sanction any open collegiate-style tournaments after the month of November. **Any collegiate-style wrestling open tournament held after November 30 and until the completion of the state wrestling tournament in which a school coach is coaching either directly or indirectly, a school team or members of a school team would count against the school's and/or individual's regular season schedule.** Violation of this rule could cause a student to lose eligibility and a coach to be suspended.
5. In addition to the Activities Association-sponsored championship tournament series, high school teams and/or individuals shall be limited to 26 points.
The following point system will apply in determining the team's and/or individuals' point total:
 - a) All two-day tournaments will count as three points and all one-day tournaments will count as two points. An individual and/or team will be limited to five two-day tournaments. All other tournaments must be one-day and must only be on a Saturday.
 - b) Duals will count as one point.
 - c) In any multi-team competition, points will be equal to the number of duals wrestled. Example: A triangular would be worth two points and a quadrangular/festival would be worth three points.
6. The 26-point system applies to team schedules and to each individual that wrestles. For an individual, this would include a combination of wrestling on the junior varsity and varsity teams. Ninth-grade students may wrestle under the 26-point system. A ninth-grade student may reach the 26 allowable points by wrestling a combination of junior high and high school events or wrestling the entire season with the high school team.
7. Junior High teams are limited to a 20-point system, with a maximum of 3 two-day tournaments. All other tournaments must be one-day and must be on a Saturday.
8. If a ninth-grade student wrestles with the junior high team for the entire season, he/she will be limited to a 20-point system, with a maximum of 3 two-day tournaments. All other tournaments must be one-day and must be on a Saturday.
9. Generally, if the contest, meet, or tournament limits for a particular activity have been exceeded by either a school team or by individual participants from a school, the following sanctions will be applied:
 - a) The head coach in that activity shall be suspended from coaching in any regular season contests, at the same level, in the same activity, for the remainder of the current regular season, and any championship play-off events for that school year.
 - b) The head coach in that activity may also be suspended from coaching any regular season contests, at the same level, in the same activity, in the subsequent season for that activity.
 - c) The school will not be allowed to host any play-off contests in that activity during the school year in which the violation occurred.
 - d) The program will be placed on warning for a period of one year.

C. WEIGHT MANAGEMENT PROGRAM AND CERTIFICATION

1. OSSAA High School Weight Management Program – In compliance with NFHS wrestling rule 1-3-1 & 2 which states: Each individual state high school association shall develop and utilize a specified weight-control program which will discourage excessive weight reduction and/or wide variations in weight, because this may be harmful to the competitor. Such a program should be planned to involve the wrestler, as well as the parents/guardians, physician, and coach in establishing the minimum certified weight class. An ideal program would be one where a medical professional would assist in establishing a minimum weight class through hydration testing, body fat assessments, and a monitored descent plan. Minimum body fat should not be lower than 7% for males or 12% percent for females. For health and safety reasons, the state's weight control program shall require hydration testing with a specific gravity not greater than 1.025, which immediately precedes the body fat assessment. A minimum weight class will be determined by a body fat assessment. Any wrestler's assessment that is below 7% for males and 12% percent for females shall have a physician's release to participate. This release shall not allow a wrestler to participate at a weight class below that for which the initial assessment allows. A program to monitor an average weight loss of 1.5% a week, with descent, may use the minimum weight determined by the body fat testing as the lowest weight class a wrestler may wrestle. This weight management plan should also involve a nutritional component developed at the local level.
2. The OSSAA does not advocate that a wrestler's established minimum weight of 7% for males and 12% for females is the best weight, but simply establishes the minimum weight at which the student-athlete will be allowed to compete.
3. All wrestlers in grades 10-12 and any 9th grader that wish to participate on a high school varsity or junior varsity team must comply with the OSSAA High School Weight Management Program. A 9th grader who does not test prior to his first junior high competition (including open tournaments) is not eligible to participate on the high school varsity or junior varsity at any time during the wrestling season.
4. Teams can begin testing on Saturday, October 11, 2025, and the last testing date will be Saturday, February 14, for girls and Wednesday, February 18, for boys. **All wrestlers in grades 10-12 and any 9th grader who want to participate on a high school varsity or junior varsity team must be tested. Wrestlers must be tested at least 48 hours prior to their first**

competition (including open tournaments). Assessors will be using the NWCA Optimal Performance Calculator program and each wrestler's name must be listed on their school's Alpha Master form.

5. Coaches must exchange Alpha Master forms (downloaded from the NWCA website) prior to each dual meet and must also give a copy to the tournament director prior to the beginning of each tournament including open tournaments in November that are sanctioned or hosted by an OSSAA member school. The school's Alpha Master form will have each wrestler's date of assessment, alpha weight, percent of body fat, minimum wrestling weight, minimum wrestling class, and the first date on which you can certify your minimum weight.
6. Testing must be done prior to a wrestler working out that day.
7. Assessors must have a medical background and be a licensed medical professional (licensed nurse, nurse practitioner, certified athletic trainer, physician, physician's assistant, physical therapist, emergency medical technician, paramedic, certified dietician, certified personal trainer) and must have completed and passed the training assessor's program to be a certified assessor. A list will be mailed in the fall to schools listing all assessors who have been trained. It is each school's responsibility to contact a certified assessor and set up a date and time to have their team tested.
8. Certified assessors will perform the following three tasks:
 - a) All wrestlers must first pass a hydration test. The test will be a urine analysis and a wrestler's specific gravity cannot exceed 1.025. The methods to determine a wrestler's specific gravity will be by reagents strip, OSSAA color chart, or a refractometer. A wrestler who fails the hydration test must wait twenty-four hours before he/she can be retested. A wrestler who fails the hydration test will not be allowed to be body fat tested.
 - b) Body fat testing will be performed by using the Lange Skin Calipers or the Tanita Bioelectrical Impedance 300WA machine. Assessors will be trained using both methods. Schools that have purchased the Tanita 300WA machine shall notify the assessor in advance that they have a Bioelectrical Impedance Machine and that they choose to use this method for body fat testing. Otherwise, the assessors will use skin calipers to determine body fat. (Note: Females will be tested using Skin Calipers since the Tanita Bio-Impedance machine has not been validated for females.)
 - c) The assessor will use the NWCA Optimal Performance Calculator Computer Program to determine a wrestler's 7% (males) or 12% (females) minimum weight and a descent plan to determine the first date at which a wrestler can certify at his/her minimum weight. The assessor shall input the data from the hydration test and body fat test within forty-eight hours of the initial assessment or the appeal assessment. Coaches will be able to access this information and download their school's Alpha Master form from the NWCA website using their assigned password.
9. A wrestler's parent or guardian must give permission and sign the "Student Data Sheet" giving a certified assessor permission to perform a hydration test and body fat analysis on the designated wrestler. Failure to submit this signature will result in the wrestler not being tested and ineligible to compete in high school wrestling.
10. Each school shall provide two school individuals (A.D., coach, teacher, administrator) to assist the assessor with the hydration and body fat testing.
11. Schools will be responsible for all fees incurred to administer the weight management program: An annual fee of \$30 for the use of the NWCA Optimal Calculator Program and the testing wrestlers of up to \$8.00 each. If an assessor has to come to a school site with three or fewer wrestlers, the assessor can charge a flat fee of up to \$24.00.
12. NWCA Optimal Performance Calculator Performance program will determine a wrestler's minimum weight at 7% for males and 12% for females. The calculator program will subtract a 3% variance from the minimum weight for all males at or above 7% and all females at or above 12%. Any male below 7% or a female below 12% must have a release (Physician's Clearance form) from a qualified physician to participate at sub-seven or sub-twelve. The release shall not allow a wrestler to participate at a weight class below that for which the initial assessment allows. A Wrestler's body weight must be equal to or no greater than three pounds from his/her original assessment when obtaining a written clearance form from a qualified physician. If not, this form will not be valid. The physician's release must be sent to the assessor who did the initial assessment and the wrestler cannot participate until his/her name is posted on the school's Alpha Master form with the "Physician Approval" statement next to his/her name.
13. NWCA Optimal Performance Calculator Program will determine a descent plan to determine the earliest date a wrestler can certify his minimum weight. A wrestler cannot compete at his/her minimum weight before the date that is listed on their school's Alpha Master form. The descent plan is based on the wrestler's body weight at his/her initial testing and a reduction of 1.5% of his/her body weight per week until he/she reaches the minimum weight at 7% (males) or 12% (females).
14. **All wrestlers will have one opportunity to appeal their body fat assessment and minimum weight and must do so within 14 days of the initial assessment.** If a wrestler's body fat test results are being appealed, the wrestler may not wrestle in interscholastic competition until the appeal results are posted on the school's Alpha Master form. A wrestler will have two options. Option A: The appeal must be made with the assessor who did the initial assessment and the same assessment method shall be used. A wrestler's body weight cannot be greater or less than 3 pounds of his/her initial assessment and if so, the appeal will not be valid and the original assessment will be used. A wrestler must also pass a hydration test before being retested. There will be a fee for retesting a wrestler. Option B: An appeal must be made through the original assessor and a wrestler can go to the certified testing center (Oklahoma University Health Science Center, Oklahoma City) and use the Bod Pod air displacement plethysmography method to determine body fat and minimum weight at 7% for males and 12% for females. A wrestler's body weight cannot be greater or less than 3 pounds of his initial assessment and if so, the appeal will not be valid and the original assessment will be used. A wrestler must also pass a hydration test before being tested. Since researchers have determined this to be one of the gold standards in measuring body fat composition, there will not be a 3% variance subtracted from the minimum weight. Again, the cost for this testing will be incurred by the school or parent at a fee of \$25.00 per wrestler and payment shall be made at the testing site.

A wrestler whose body fat is measured at sub 7% (males) or sub 12% (females) and wishes to appeal their body fat assessment must meet the following requirement: their body weight at the appeal can be no lower than their original weight at the initial assessment and no greater than three pounds of their original weight at the initial assessment. If so, the appeal will not be valid and the original assessment will be used.

If a wrestler elects to appeal their initial assessment under option A or B, whatever the appeal assessment determines, his/her body fat and minimum weight is final. You cannot appeal a third time nor can you go back and use the initial assessment data.

15. Although it is not mandatory, it is highly recommended that each school develop a nutrition education program for wrestlers and parents. The NWCA has a free nutrition video available on their website.
16. All wrestlers (including non-starters) in grades 9-12 shall certify their minimum weight (weigh in at flat weight) between the opening of wrestling season (November 20, 2025 and January 24, 2026). This can be done at any regular season dual (approval by both school's administration, OSSAA certified official, public awareness that a match is taking place, and comply with all OSSAA and National Federation wrestling regulations), multi-dual, or tournament that is OSSAA sanctioned. Open tournaments in November will not count. A wrestler who weighs-in with a weight allowance based on National Federation Rule 4-5-5 ("When there are consecutive days of team competition, there shall be a 1-pound additional allowance granted each day for all wrestlers up to a maximum of two pounds.") is eligible to compete in that weight classification but has not certified his/her minimum weight at that classification unless he/she has weighed-in at flat weight. **At no point shall a wrestler weigh in for a weight class that he/she will be unable to participate in during the postseason. (Example: A wrestler whose lowest actual allowable weight is 121 per their descent plan, and lowest eligible weight class is 126 cannot certify at the 120 lb. weight class. Therefore he/she shall not be allowed to wrestle at any time in the 120 lb. weight class during the season even with the two-pound allowance.)**
17. If your last wrestling event prior to January 24 is cancelled by a school's administration due to inclement weather, a wrestler may certify his/her minimum weight at the next scheduled event.
18. A wrestler cannot certify his/her (7% male or 12% female) minimum weight until the allowable date on your school's Alpha Master form. Certification must be made at flat weight. Once you certify your minimum weight, you can only weigh in one weight class above your minimum weight and still keep that minimum weight. A wrestler who weighs in at any time more than one weight class above his/her minimum weight, his/her minimum weight will move up accordingly.
19. A wrestler who is on a descent plan to certify his/her minimum weight and at any time weighs in two weight classes above a previous weigh-in, his/her descent plan would stop and his/her minimum weight would be established. (Example: Your descent plan allows you to go from your alpha weight of 145 to your minimum weight of 126. You weigh-in at 145 and then 138 and then 132 and before you get to your minimum weight of 126, you weigh-in at 145. At this time, your descent plan would stop and your minimum weight would be 138 pounds. You have weighed in two weight classes above your lowest weight during your descent plan.)
20. **A wrestler who was not able to certify his/her minimum weight by January 24 may do so only after the school has received written approval from the OSSAA because of injury, illness, or some other unusual circumstance that prevented him/her from doing so. School administrators shall make their request in writing to the OSSAA and explain their circumstance. This must be received by January 24, 2026.**
21. Any wrestler who is tested prior to January 24 and whose calculator plan won't allow them to descend to their minimum weight until after January 24 would not have to apply for an exception. However, they must make flat weight at the first opportunity during the week the calculator plan allows them and after that they would receive the two-pound growth allowance.
22. A wrestler, whose calculator plan will not allow them to descend to their minimum weight until after January 24 must make flat weight the first time they weigh in for a new weight classification. (Cannot use the growth allowance when descending to his/her minimum weight the first time they weigh in for a new weight classification.)
A wrestler whose calculator plan will not allow them to descend to their minimum weight until after January 24, then at some point chooses to discontinue his/her descent plan, their minimum weight would be the weight classification they certified by January 24. (Exception: A wrestler would be able to certify his minimum weight after January 24 based on his/her weekly descent plan and must make flat weight at the first opportunity during the week the calculator plan allows them.)
23. A wrestler who has tested and his/her calculator plan will not allow him/her to descend to their minimum weight until after the week of the regional tournament will determine his/her minimum weight by using the 1.5% weekly descent plan from the date of the initial assessment to the week of the regional tournament.
24. If a wrestler weighs in at a dual meet or tournament one weight class above his certified minimum weight, it will not change his minimum weight. If a wrestler weighs in one weight class above his minimum weight and then wrestles one weight class above that (National Federation Rule 4-4-2: "A contestant shall not wrestle more than one weight class above that class for which his actual weight, at the time of weigh-in, qualifies him.") they still have not changed their minimum weight certification. Any changes in weight certification shall be immediately reported to the OSSAA office.
25. A certification form may be mailed, emailed or faxed to the OSSAA office and must be received by January 28, 2026 listing all wrestlers **(including non-starters)** in high school in grades 9-12.
26. A two-pound growth allowance will go into effect for all high school and junior high wrestlers on January 1 and will continue for the remainder of the wrestling season. When the two-pound growth allowance is in effect, all weight classifications will change by two pounds and all weigh-in regulations will apply.
27. A weigh-in is defined as one in which a wrestler makes weight, is in uniform for a match, and is eligible to compete in all respects. A wrestler meeting the definition of a weigh-in would count this against his individual season limitation regardless of whether he participates or not.
28. The regional verification form shall be provided to the regional tournament manager, verifying all regional participants' minimum certified weight upon arriving at the regional site for the seeding meeting. Coaches who chose not to attend the regional seeding meeting shall mail or fax their regional verification form to the tournament manager prior to the seeding

meeting. **Any school failing to provide the regional verification form shall not be allowed to participate in the regional tournament.** Included on the form will be a place to list the date and site of each participant's season weigh-ins and the weight classification in which he/she was eligible to wrestle. The form must be signed by the high school principal and wrestling coach. Inaccurate information could cause a student to be ineligible for the regional wrestling tournament.

29. Any ninth-grade wrestler that is wrestling on both the junior high and high school wrestling team must adhere to the High School Weight Management Program (see number three from above). A ninth grader will have two minimum weights, one in junior high and one in high school. His/her junior high minimum weight will be the junior high weight class that is directly above the minimum wrestling weight on the high school's alpha master list. (Example: His minimum weight at 7% is 131 pounds. His minimum weight would be 134 on junior high and 132 on high school.) A wrestler shall not wrestle at their minimum weight in junior high until the first allowable date on the high school's Alpha Master form. Junior high weigh-ins will not affect his/her minimum weight in high school and vice versa. A ninth grader who tests prior to his/her first competition and does not wrestle or weigh-in at a high school match by January 24 will not be eligible to certify their minimum weight. (Example: His/her minimum weight at 7% (males) or 12% (females) on the high school's Alpha Master form is 139 pounds. His/her minimum weight is 145 on high school and 142 on junior high. The wrestler must weigh-in at 145 at a junior high meet or tournament by January 24. This weigh-in must be documented and kept by the high school coach.)
30. A wrestler who weighs in with a weight allowance based on National Federation Rule 4-5-5 ("When there are consecutive days of team competition, there shall be a 1-pound additional allowance granted each day for all wrestlers up to a maximum of two pounds.") is eligible to compete in that weight classification.

D. REGIONAL AND STATE TOURNAMENTS

1. The following dates will apply to 2026 regional and state tournaments:
 - a) Girls Regional tournaments (two qualifiers per class) will be held on February 16-17, 2026.
 - b) Boys Regional tournaments will be held February 20-21, 2026. **Any school interested in hosting a regional tournament for the current school year should send a letter to the OSSAA signed by the athletic director or principal by December 1.** Schools hosting a regional tournament must comply with National Federation Rule 2-1-2 and use wrestling mats that have a circular wrestling area with a minimum of 28 feet in diameter.
 - c) Admission prices have been set by the Board of Directors: Regionals - \$7.00 per online ticket plus a processing fee of \$1.35 (\$8.35) or a \$10 cash option (adults and students).
 - d) The state tournament will be held February 26, 27, and 28, 2026 at the State Fairgrounds Arena in Oklahoma City. All classes and genders will be wrestled together with wrestle-in matches on Thursday only.
 - e) Admission prices have been set by the Board of Directors: State Tournament - \$10.00 per ticket plus a processing fee of \$1.50 (\$11.50) or a \$13 cash option (adults and students).
2. At the regional and individual state tournaments, wrestlers will not have the option of weighing in the night before (see II-J-2).
3. Spirit signs and school banners are not allowed to be hung at the regional sites or at the State Fairgrounds Arena.
4. The OSSAA reimbursement claim form (sent out with the regional information packet) is to be filled out and sent to the Activities Association immediately following the state tournament. The amount of reimbursement will be determined at the June OSSAA Board of Directors meeting.
5. The Activities Association will attempt to balance regional tournament strengths when geographics allow.
6. Two regional tournaments will be held in each class, with the top **five** finishers in each weight classification qualifying for the state tournament. **The fifth-place regional finisher from each regional will wrestle the fourth-place regional finisher from the opposite regional in a wrestle-in match at the state tournament. No team points will be awarded for the winner of this match and the loser will be eliminated from further competition at the state tournament.**
 - a) In the regional tournament a consolation match for fifth and sixth place will be wrestled. **Fifth-place winners will qualify for the wrestle-in match at the state tournament.** Sixth-place winners will qualify for the state tournament if one of the top five (1-5) regional place-winners cannot participate because of an injury, illness, academic ineligibility, flagrant misconduct disqualification, etc. It is the coaches/schools responsibility to immediately notify the Activities Association if one of their wrestlers cannot compete in the state tournament due to injury, illness, academic ineligibility, flagrant misconduct disqualification, etc. The OSSAA will then notify the coach or school of the sixth-place regional winner in that weight class and that wrestler will compete in the state tournament. Coaches who fail to notify the Activities Association immediately after learning one of their wrestlers cannot compete in the state tournament will be assessed a penalty by the OSSAA Board of Directors and possibly forfeit their right to coach in the state tournament. **Note: A sixth-place regional winner will not replace one of the top five (1-5) regional place-winners who fails to make weight at the first weigh-in of the state wrestling tournament.**
 - b) On the state tournament bracket at a non-option weight, if one of the regional placers (1-5) cannot participate due to academic ineligibility, injury, illness, flagrant misconduct disqualification, etc., each contestant will move up one place (unless the coach chooses not to) from that regional and insert the sixth-place qualifier in the fifth place or open slot.
 - c) On the state tournament bracket at an option weight, if one of the regional placers (1-5) cannot participate due to academic ineligibility, injury, illness, flagrant misconduct disqualification, etc., each contestant will move up one place (unless the coach chooses not to) from that regional and insert the sixth-place qualifier in the third place or open slot. The fourth-place option qualifier would stay on the bracket where he chose. If the fourth-place option qualifier is the contestant that needs to be replaced, the wrestler who originally placed fourth from that regional would move back from the third-place slot to the fourth-place slot. Each contestant would then move up one place (unless the coach chooses not to) from that regional and insert the sixth-place qualifier in the fifth place or open slot.
 - d) A sixth-place finisher from the regional tournament would qualify for the state wrestling tournament if there was an open slot from the regional tournament (one of the top five (1-5) regional place-winners cannot participate because of an injury,

- illness, academic ineligibility, flagrant misconduct disqualification, etc.) or the fifth place finisher cannot participate due to injury, illness, academic ineligibility or declines to participate.
- e) **No additions to a State Tournament bracket will be made after 4:00 pm on the Wednesday preceding Thursday evening weigh-in of the State Tournament.**
 7. At the regional tournament, team points for 5th and 6th place will be given.
 8. Regional tournament brackets: When the number of competitors is not a power of 2, that is 4, 8, and 16, there shall be byes in the first round. The number of byes shall be equal to the difference between the number of competitors and the next higher power of 2 (Exception: When the number of competitors is more than sixteen, a sixteen-man bracket shall be used with pigtail bracketing). There shall be no byes after the first round of competition in the championship bracket or the second round of the consolation bracket, and no further drawing is necessary for the championship or consolation rounds. When byes are required for the first round, they shall be placed by mutual consent or drawn so they are distributed evenly throughout the bracket. Any coach who is ejected from an interscholastic game, meet, or contest shall be suspended from coaching the next regularly scheduled game, meet or contest (same team and level) in which the team participates. This includes all OSSAA-sponsored and playoff activities. A coach who has been suspended from coaching may attend the contest, but he or she must be seated in the spectator area and may not give instructions to the players or the individual who has been assigned to coach the team anytime during the contest. The coach may not coach directly or indirectly in any capacity. The coach may not enter the dressing room at half-time, nor will he or she be allowed to be on the court, field, etc., before or during the contest.  - c) While wearing protective gloves, spray the contaminated area with the cleaning solution. Use disposable towels to clean the contaminated surface. Repeat until all visible blood and other body fluids have been removed. Properly discard all contaminated disposable materials. Wash hands immediately after exposure. When it is not feasible to wash your hands immediately after exposure, an antiseptic in conjunction with clean cloth/paper towels or antiseptic towelettes should be used. Hands should then be washed in soap and water as soon as feasible. **NOTE:** These safety and cleanliness policies should be followed during regular season duals and tournaments.
18. Please see the Athletic Director or Principal for precautionary recommendations regarding AIDS and Hepatitis B.
19. Summer Camp Fee Regulation: An individual camp fee (Oklahoma average or normal tuition) shall be paid by the student-athlete or his parents without concession.

3. In addition, any coach who has been ejected from an OSSAA contest will be required to complete the NFHS Teaching and Modeling Behavior course. This course must be completed within seven (7) days after being ejected. The coach can be reinstated after verification of his/her completion of the course and any sit-out time that is required by OSSAA rules.
4. Unsportsmanlike conduct by a wrestler prior to or after the conclusion of wrestling, results in the deduction of 1-team point for the first offense. On the second offense the individual will be removed from the premises for the remainder of the event and an additional 2-team point deduction. These penalties carry over in a multiple day event.
5. Unsportsmanlike conduct of coaches and other team personnel that occurs before, during, or after a contest results in the deduction of 1-team point for the first offense. On the second offense the individual will be removed from the premises for the remainder of the event and an additional 2-team point deduction. These penalties carry over in a multiple day event.
6. Misconduct of a coach results in a warning for the first offense, the deduction of 1-team point for the second offense, and removal from the premises for the remainder of the day of the head coach and a 2-point team deduction for the third offense. The penalty sequence starts anew each day.
7. Flagrant misconduct before, during, or after a match by a wrestler results in disqualification of the individual, immediate removal from the premises and the deduction of three team points on the first offense. Any contestant so disqualified in tournament competition is not entitled to any points that he has earned previously in the tournament. All advancement points, fall points, placement points, etc. are negated. There shall be no shifting of positions to fill the vacated place. In dual meet competition, any team points earned shall be negated. Flagrant misconduct will disqualify any individual from the remainder of a multiple school event or a tournament. This includes the use of tobacco products.
8. Flagrant misconduct by a coach or any other team personnel that occurs before, during, or after a contest will result in removal from premises on the first offense and a deduction of three team points. Removal is for the dual meet, remainder of a multiple school event or tournament. This includes the use of tobacco products.

 10. A student who is disqualified during a game or contest because of a flagrant or unsportsmanlike conduct shall be ineligible until reinstated by the principal (after complying with National Federation wrestling rules). A disqualified student shall forfeit the right to participate in at least one contest before he/she is reinstated by the principal. A student whose flagrant or unsportsmanlike conduct consists of fighting, cursing or using foul language toward a game official will be automatically suspended from participating in a minimum of the next two regularly scheduled games or contests on the same level of competition that his/her team plays. Fighting is defined, but is not limited to, any player or non-player (bench personnel) striking an opponent with arm(s), leg(s), foot(feet), or other object(s); attempting to strike an opponent with arm(s), leg(s), foot(feet), or other object(s), regardless if there is contact with an opponent; biting an opponent or instigating a fight by committing an act(s) that causes an opponent to retaliate by fighting related to an OSSAA sponsored activity in which the players and non-players are participating. A player or non-player who retaliates by fighting is in violation of the fighting rule. The fighting rule will apply to pre-contest and post-contest sponsored activities. It is mandatory that all head coaches remind his/her team that fighting during the post-game hand shaking ceremonies or conducting themselves in an unsportsmanlike manner after the game will be severely penalized. The head coach and team will be subject to additional suspension penalties beyond the normal penalties imposed on fighting and unsportsmanlike acts that occur during the contest. Injuries have occurred because of fans climbing over walls and fences, being trampled, or partaking in dog-pile celebrations, etc. at the conclusion of a contest. The celebration by fans, players, or coaches acting in an unsportsmanlike manner (for example: pouring water on the coach) after a contest will result in possible penalties imposed against the school. School administrators should be aware that if their student body and fans come onto the playing area after a contest, penalties may be imposed. Any substitute or team member who leaves the team bench (football player leaving the team box, baseball or softball player leaving the dugout, basketball player or wrestler leaving the team bench, etc.) and enters the playing area during a fight or any other serious unsportsmanlike act, shall be ejected. Those players or team members identified by game officials, school administrators, or videotape will be suspended a minimum of one game if they were not involved in the altercation and a minimum of two games (exception: soccer) if they were involved in the altercation. This rule applies to both regular season and playoff games. The suspension applies to individuals/team on the same level of competition; i.e., varsity to a varsity game, junior varsity to a junior varsity game, etc. Any additional penalties by the National Federation Wrestling Rule Book and the OSSAA Rules and Regulations Handbook would also apply. The rule would apply to all OSSAA-sponsored activities. Any student involved directly or indirectly for fighting or any other serious unsportsmanlike act a second time during the season shall be suspended for the remainder of the season.
 11. A student or coach who is disqualified or removed from the premises for flagrant misconduct in a multi-team event or a dual-team tournament is disqualified or removed from the premises for the remainder of the event. The number of dual(s) his team participates in after his disqualification during this multi-team event or dual tournament may count towards his sit-out time after he becomes eligible.

When all wrestlers for a weight class have had an opportunity to weigh-in and the next class is called, that weight class is closed. Tournament weigh-in may proceed by team(s) with the lowest weight class to the highest and end immediately upon the completion of the highest weight class. A contestant shall weigh in for only one weight class during the weigh-in period. If only one scale is available, a contestant may step on and off that scale two times to allow for mechanical inconsistencies in the scale. If multiple scales are available, a contestant may step on and off the first scale two times to allow for mechanical inconsistencies in that scale. If the contestant fails to make weight on the first scale, the contestant shall immediately step on each available scale one time in an attempt to make weight. If an athlete misses weight on their first attempt on the scale, they shall not be allowed to do anything (activities which promote dehydration, remove/adjust/modify clothing, cut hair, etc.) which might result in weight loss before they step back on the scale(s). The same should be the case for an athlete who is trying to qualify for a higher weight class and is too light. He/she shall not be allowed to drink fluids before getting back on the scale. All contestants (male and female) shall weigh in wearing a suitable undergarment that completely covers the buttocks and the groin area. Female contestants must also wear a suitable undergarment that covers their breasts. Any contestant, who has been authorized to wear an artificial limb, shall weigh in with the artificial limb.

All athletic events where three or more schools participate in grades 7 through 12 related directly or indirectly to any activity in which the Activities Association sponsors a play-off series leading to a state championship should be sanctioned. The responsibility lies with the participating schools as well as the host member school, non-public school host, or any non-school individual host. When more than two schools or teams participate, the students may not be covered by catastrophic insurance unless the event is sanctioned.

L. RECOMMENDATIONS TO ADMINISTRATORS OF ATHLETIC CONTESTS

1. After the officials enter the field or court, the administrator in charge should advise the head official as to the location where the game manager will be during the contest(s) should a problem arise.
 - a) Someone should be designated to meet the officials to assure their safe return to the dressing room after the contest.

 - b) It is strongly recommended that certified officials be used in all competition where participants are 7th-12th grades.
2. NOT HONORING A PROTEST
 One of the calculated risks that coaches must accept is that he/she, his/her players, or the officials may make mistakes during the course of the game or contest. The Board of Directors has established a policy of not honoring a protest based upon a rule situation, nor a situation that involves judgment on the part of the game official.
 OSSAA will not consider requests to overturn the determinations of game/contest officials in interpreting or enforcing rules at games or contests. In agreeing to participate in a game or contest, a member school, and the individual participants, and the coaches or sponsors representing that member school, accept the risk that game/contest officials may make errors in interpreting or enforcing rules at games of contests. Any errors by game/contest officials should be raised with those officials, in a respectful manner, and in accordance with the rules established for that particular activity. The decisions of the game/contest officials are accepted as final.
 An exception to this Policy may be granted if in the case of an ejection of a participant from a contest, the game/contest official misidentifies the individual who should have been ejected. The request to review the misidentified player must be submitted to the OSSAA in writing.

3. Any school representative who publicly criticizes a contest official and any contest official who publicly criticizes a school representative in connection with a contest, meet, or tournament is subject to sanctions. The member school represented by an individual who publicly criticizes a contest official may also be subject to sanctions if the school fails to take appropriate action in response to the school representative's public criticism of the contest official. The sanctions could include a warning or suspension.
Public criticism includes, but is not limited to, comments made to the media or during a broadcasted event, and comments made in a public forum.

Additionally, personnel not holding a valid Oklahoma teaching certificate must meet with a representative of the OSSAA prior to being reinstated to coach the school team. V. WRESTLING REGULATIONS FOR JUNIOR HIGH SCHOOL STUDENTS

A. COMPOSITION OF JUNIOR HIGH SCHOOL TEAMS

1. A junior high wrestling team shall be composed of seventh, eighth, and ninth-grade students or any combination of them. If ninth-grade students are included, the teams may not include students from grades below the seventh grade, otherwise, such students may be included provided they meet eligibility standards.
2. A ninth-grade student may participate in either the high school or junior high school level, but may not compete on a junior high school team and a senior high school team during the same day nor may they weigh in for both a junior high school team and a senior high school team on the same day.

B. JUNIOR HIGH SCHEDULES

1. Junior High teams are limited to a 20-point system, with a maximum of 3 two-day tournaments. All other tournaments must be one-day and must be on a Saturday.
2. Ninth-grade students may wrestle under the high school 26-point rule. A ninth-grade student can wrestle a combination of junior high and high school events or wrestle the entire season with the high school team. If a ninth-grade student wrestles with the junior high team for the entire season, he/she will be limited to a 20-point system. The following point system will apply in determining the individual's point total:
 - a) All two-day tournaments will count as three points and all one-day Saturday tournaments will count two points.
 - b) Duals will count as one point.
 - c) In any multi-team competition, points will be equal to the number of duals wrestled. Example: A triangular would be worth two points and a quadrangular/festival would be worth three points.
3. A ninth-grade student participating on both the junior high and high school teams cannot participate in more than three junior high tournaments.

C. PRACTICE AND SEASON

1. The collegiate style wrestling (this style is sanctioned and governed by the OSSAA) season shall open on the third full weekend in November. A weekend is Thursday, Friday, and Saturday. The opening date for the 2025-2026 season will be November 20, 2025.
2. The collegiate-style wrestling season for member schools, school personnel, and wrestlers shall close with the state championship tournament. An individual who has represented his school in collegiate-style wrestling during the current season shall not represent his school in that sport after the season closes. Students may participate unattached and school personnel may coach.
3. Member school personnel and anticipated personnel shall not hold organized collegiate-style wrestling practice from the beginning of the school year until October 1. No organized collegiate-style wrestling practice may take place after the OSSAA-sponsored state collegiate-style wrestling championship tournament. Collegiate-style wrestling techniques and procedures may be taught in regularly scheduled physical education classes. When there are no organized physical education classes scheduled during the school day, a school may schedule an additional class period immediately after the close of the school day. This additional class period shall be for the purpose of conducting a physical education class and shall not exceed, in length, the time of a regularly scheduled period which is defined as 60 minutes. A school that is bringing its freshmen and sophomore athletes from another site may schedule its practice period immediately upon the arrival of these athletes, not to exceed in length that of a regular class period for the purpose of conducting a physical education class. The practices will be conducted by the certified school coaching staff. Any individual is limited to the maximum time of a regular class period.
4. Coaches may coach their junior high and/or high school wrestling teams in a maximum of three open collegiate-style wrestling tournaments in November with no loss of school time that are sanctioned or hosted by OSSAA member schools. Individuals are not eligible to compete in open tournaments in November that are sanctioned or hosted by an OSSAA member school unless they are accompanied by a school coach. A student must be eligible under all rules and regulations of the OSSAA Administrator's Handbook in order to participate in open collegiate-style tournaments that are sanctioned or hosted by an OSSAA member school during the month of November. The OSSAA will not sanction any open collegiate-style tournaments after the month of November. Any collegiate style wrestling open tournament held after November 30 and until the completion of the state wrestling tournament in which a school coach is coaching either directly or indirectly, a school team or

members of a school team would count against the school's and/or individual's regular season schedule. Violation of this rule could cause a student to lose eligibility and a coach to be suspended.

D. WEIGHT CLASSIFICATIONS FOR JUNIOR HIGH WRESTLING

1. Junior high school boys weights will be the following: 80, 86, 92, 98, 106, 112, 119, 126, 132, 140, 155, 170, 195, 285.

E. TIME PERIODS FOR JUNIOR HIGH WRESTLING

Junior high time periods for a regulation match, championship side, and consolation finals of a tournament will be 2 minutes – 1 1/2 minutes – 1 1/2 minutes. Time periods for the consolation side of a tournament will be 1 minute – 1 1/2 minutes – 1 1/2 minutes. Overtime time matches, in tournaments and dual meets will follow the NFHS wrestling rules book prescribed overtime regulations.

F. FLAT WEIGHT OR SCRATCH WEIGHT

Flat or scratch weight will be used for all weigh-ins (prior to January 1 and afterwards a two-pound growth allowance will be added to each weight classification for all wrestlers in grades 7-12) except for Rule 4-5-5 of the National Federation Wrestling Rule Book. It says, "When there are consecutive days of team competition, there shall be a one-pound additional allowance granted each day for all wrestlers. In order to be granted this one-pound additional allowance, a minimum of 48 hours advance notice is required for your opponent(s)." This will apply to both high school and junior high competitions. **COACHES WILL NOT BE ALLOWED TO GIVE WEIGHT ALLOWANCES BASED ON MUTUAL AGREEMENT.**

G. WEIGHT MANAGEMENT PROGRAM AND CERTIFICATION

1. A wrestler who weighs in with a weight allowance based on National Federation Rule 4-5-5 ("When there are consecutive days of team competition, there shall be a 1-pound additional allowance granted each day for all wrestlers up to a maximum of two pounds.") is eligible to compete in that weight classification.
2. All wrestlers in grades 10-12 and any 9th grader who wants to participate on a high school varsity or junior varsity team must comply with the OSSAA High School Weight Management Program. A 9th grader who does not test prior to his first junior high competition (including open tournaments) is not eligible to participate on the high school varsity or junior varsity at any time during the wrestling season. (For complete information on a 9th grader to be eligible to participate on a high school varsity or junior varsity team and meet the OSSAA Weight Management Program guidelines, refer to II-D of the OSSAA Wrestling Manual.)
3. Any ninth-grade wrestler that is wrestling on both the junior high and high school wrestling team must adhere to the High School Weight Management Program. A ninth grader will have two minimum weights, one in junior high and one in high school. His/her junior high minimum weight will be the junior high weight class that is directly above the minimum wrestling weight on the high school's alpha master list. (Example: His minimum weight at 7% is 151 pounds. His minimum weight would be 155 on junior high and 152 on high school.) A wrestler shall not wrestle at their minimum weight in junior high until the first allowable date on the high school's Alpha Master form. Junior high weigh-ins will not affect his/her minimum weight in high school and vice versa. A ninth grader who tests prior to his/her first competition and does not wrestle or weigh in at a high school match by January 24 must weigh in at flat weight at a junior high match to certify his/her high school minimum weight. (Example: His/her minimum weight at 7% (males) or 12% (females) on the high school's Alpha Master form is 139 pounds. His/her minimum weight is 145 in high school and 142 in junior high. The wrestler must weigh in at 145 at a junior high meet or tournament by January 24. This weigh-in must be documented and kept by the high school coach.)
4. A wrestler who was not able to certify his/her minimum weight by January 24 may do so only after the school has received written approval from the OSSAA because of injury, illness, or some other unusual circumstance that prevented him from doing so. School administrators shall make their request in writing to the OSSAA and explain their circumstances.
5. If a wrestler weighs in at a dual meet or tournament one weight class above his certified minimum weight, it will not change his minimum weight. If a wrestler weighs in one weight class above his minimum weight and then wrestles one weight class above that (National Federation Rule 4-4-2: "A contestant shall not wrestle more than one weight class above that class for which his actual weight, at the time of weigh-in, qualifies him.") he still has not changed his minimum weight certification. Any changes in weight certification shall be immediately reported to the OSSAA office.
6. A certification form (located on the Wrestling page of the OSSAA Website) shall be received by the OSSAA office by January 28, 2026 listing all wrestlers (**including non-starters**) in high school grades 9-12.
7. A two-pound growth allowance will go into effect for all high school and junior high wrestlers on January 1, 2026 and will continue for the remainder of the wrestling season. When the two-pound growth allowance is in effect, all weight classifications will change by two pounds and all weigh-in regulations will apply.
8. A weigh-in is defined as one in which a wrestler makes weight, is in uniform for a match, and is eligible to compete in all respects. A wrestler meeting the definition of a weigh-in would count this against his individual season limitation regardless of whether he participates or not.

H. WEIGH-IN PROCEDURE FOR DUAL MEETS AND TOURNAMENTS

1. NF Rule 4-5-1: Contestants, of the same gender, shall have the opportunity to weigh in, shoulder-to-shoulder, a maximum of 1 hour before the time a dual meet or a team's first competition in multiple dual meet event is scheduled to begin. When a preliminary meet is followed by a varsity meet weigh-ins may, by mutual consent, precede the preliminary meet.
2. NF Rule 4-5-2: Contestants of the same gender shall have the opportunity to weigh in shoulder-to-shoulder at the tournament site a maximum of 2 hours before the first session of each day.
3. NF Rule 4-5-3: For any event, all contestants shall be present in and remain in the designated weigh-in area at the time established by the meet administration. Contestants shall not leave the designated weigh-in area unless permission is granted

by the meet administration. The dual meet weigh-in shall proceed through the weight classes beginning with the random draw selected weight, continue through the weight classes, wrap around 80 weight class and end immediately upon the completion of the highest weight class in consecutive order. When all wrestlers for a weight class have had an opportunity to weigh in and the next class is called, that weight class is closed. Tournament weigh-in may proceed by team(s) with the lowest weight class to the highest and end immediately upon the completion of the highest weight class. A contestant shall weigh in for only one weight class during the weigh-in period. If only one scale is available, a contestant may step on and off that scale two times to allow for mechanical inconsistencies in the scale. If multiple scales are available, a contestant may step on and off the first scale two times to allow for mechanical inconsistencies in that scale. If the contestant fails to make weight on the first scale, the contestant shall immediately step on each available scale one time in an attempt to make weight. If an athlete misses weight on their first attempt on the scale, they shall not be allowed to do anything (activities which promote dehydration, remove/adjust/modify clothing, cut hair, etc.) which might result in weight loss before they step back on the scale(s). The same should be the case for an athlete who is trying to qualify for a higher weight class and is too light. He/she shall not be allowed to drink fluids before getting back on the scale. All contestants (male and female) shall weigh in wearing a suitable undergarment that completely covers the buttocks and the groin area. Female contestants must also wear a suitable undergarment that covers their breasts. Any contestant, who has been authorized to wear an artificial limb, shall weigh in with the artificial limb.

4. The above weigh-in regulations apply to all junior high and high school duals, festivals, and tournaments that are sanctioned or hosted by an OSSAA member school including open tournaments in November.

I. GENERAL INFORMATION

Once any athletic activity, with the exception of Cross Country, Swimming, Track and Field, and Tennis, enters the play-off series for that activity, those results must also be entered within 24 hours of the conclusion of the play-off contest.

Any coach failing to report the score and results within 24 hours of the conclusion of a contest will initially be notified in writing of his or her failure to comply by OSSAA Staff. A copy of that correspondence will be sent to the coach's school administrator as well. A second incident of failure to report will result in the coach being placed on warning for a period of one year. A third, and each subsequent failure to report, will result in the suspension of the coach for the next contest.

VII. VIOLATIONS OF CONSTITUTION, RULES, REGULATIONS OR OSSAA POLICIES

When a violation of OSSAA's Constitution, Rules, Regulations, or Policies has been determined to have occurred, the Executive Director is authorized to impose sanctions or remedies, which may include suspending a coach or other school personnel from coaching and/or activity program management responsibilities or imposing limits or conditions on those coaching and/or activity management responsibilities.

VIII. EMERGENCY ACTION PLAN

Any time a member school is hosting a planned activity at a school facility there must be an Emergency Action Plan in place. The plan must be shared with any visiting school. An Emergency Action Plan, or EAP, is a formal written plan, developed by the host site, that identifies potential emergency conditions at the event site and prescribes the procedures to be followed to minimize or prevent loss of life and property.

IX. HAZING

Hazing incidents have no place in the activity programs of our member schools. The OSSAA encourages each member school to develop procedures to inform their students that this type of behavior is not acceptable and should not be tolerated.

X. TAUNTING

Any form of taunting which is intended or designed to anger, bait, embarrass, ridicule, or demean others is subject to penalty.

XI. EDUCATION-BASED ACTIVITY PROGRAMS

The National Federation of State High School Associations and the Oklahoma Secondary School Activities Association recognize the numerous potential benefits of participation by students in education-based activities. While education-based activities may differ between the stakeholder groups, all should be centered on optimizing the student's scholastic activity experience. Students will change, develop and expand abilities over time; coaches, administrators and parents should not only be cognizant of the fluid process but also foster a safe, positive environment in which development can occur. Education-based activities must always be viewed as an evolving and unpredictable path.

The NFHS and the OSSAA recognize the influential role played by coaches and directors in all activities, and therefore emphasis should be placed on those individuals to instill and reinforce fundamentals and best practices, not only to minimize risk but also to promote an environment in which a student has the opportunity to reach his or her full potential. The common goal for all the stakeholders involved with education-based activities should be to make the experience enjoyable and rewarding for all.

While our position is not intended to squelch dreams of achieving a college scholarship or professional or Olympic glory, we do place emphasis on the student's entire scholastic activity experience with the goals of enhancing participation, reducing injury risk, and optimizing performance and success (however defined) during the student's high school career. The ultimate goal; Producing an

individual who is competent, confident, connected to his or her peer group and community, and of high character. This essential principle is at the core of the scholastic activity experience and is fundamental to the mission of the OSSAA and NFHS.

XII. DIVERSITY, EQUITY, AND INCLUSION (DEI)

Promoting education and the understanding of groups that have social and cultural differences is an integral part of education-based activities. Every student participating in activities at an OSSAA member school is entitled to participate in a safe school environment that is free from bias. Any form of bias (including demeaning comments, racial, ethnic, or homophobic slurs) based on social or cultural differences will not be tolerated in education-based activities.

XIII. OFF SEASON TRY-OUTS

During the school year, only students attending school in the district for which the try-out is held may be permitted participate in a try-out. Try-outs should only be conducted for the purpose of the selection of a school team and may not be used for practice time. Each day of the try-out may be up to 2 hours in length. No off-season try-out will be allowed for more than three days, and all sessions of the try-out must conclude by 9 p.m. A record of all try-outs should be kept on file at the member school detailing the dates, times and grade level of all participants in the tryout. The OSSAA reserves the right to request these records from a member school.

Exception: During the school year, Spirit may conduct a clinic of no more than 4 days, each day of the try-out clinic may be up to two hours in length. All students participating in the tryout must be attending school in the district for which the try-out is being held. After the school year concludes, Fast-Pitch Softball, Volleyball, Cross Country and Fall Baseball may conduct a tryout on or after July 15; all other activities may not conduct a tryout outside the school year.

XIV. SUMMER TIME DEAD PERIOD

The dead period will occur during the week in July which includes the 4th of July each year. The dead period will be nine (9) days in length and begin the weekend preceding the 4th of July and the weekend following the 4th of July.

Secondary-level students enrolled or pre-enrolled at a member school may not use any member school's athletic facilities during the dead period in connection with any athletic activity governed by the OSSAA. Member school coaches, assistant coaches and sponsors may not have any contact with secondary-level enrolled or pre-enrolled students in that member school in any athletic activity governed by the OSSAA for the purpose of coaching, training, or instructing.

Summertime policies, including beginning and end of season restrictions, can be found in OSSAA Board Policy XII in the Administrator's Handbook.

Violations of the summertime dead period policy will result in the coach or sponsor being suspended from the first half of the regular season in that athletic activity. School personnel not designated as a coach or sponsor in violation of the summertime dead period policy will result in the head coach being suspended from the first half of the regular season in that activity.
