Dear Academic Coach,

VYPE Oklahoma will be producing the programs for the state academic tournament again this year. To make this the most complete and accurate program for you and your students, we will need the following things:

1. A complete roster of participating students, including all coaches and/or advisors.
2. A full color picture of your team.

To ensure that your squad is properly included in the state championship program, **please email** Rod Coulter at [programs@vype.com](mailto:programs@vype.com) as soon as possible. If you have any questions, please feel free to call Rod at 918-232-1197.

Each team that qualifies for state will be featured in the program.

There is no cost to you or your school to be in the program.

Programs will be sold for \$5 at the event. They can also be pre-ordered if you would like to do that and pick them up that day by contacting Rod.

Schools may purchase a "Spirit Page or Celebration Page" to support your team for an additional fee. You can contact Bill Huddleston at [bill.huddleston@vype.com](mailto:bill.huddleston@vype.com) for details. VYPE Oklahoma will design pages as needed.

**PLEASE SHARE A COPY WITH ALL TEAMS ATTENDING YOUR AREA TOURNAMENT.**

5. Postpone ONLY if it is absolutely, positively necessary!!!!

## ZeeCraft Discount

Academic Coaches:

ZeeCraft will be offering a discount on any buzzer systems used at this year's State Academic Bowl. As in previous years, all systems are sent brand new, and then are used for the first and only time at the Academic Bowl State Tournament.

If you would like to purchase any of the Challenger buzzer systems, they are for sale. The discount offered is \$100 off the price for a standard wired system and \$150 off the price of a wireless system. The discount applies to Challenger systems and buzzers that are used during the State Tournament. The standard buzzer systems, both wired and wireless, used in the tournament are 8-player Challenger II systems. If you want a customized Challenger system with the discount applied, we can construct control boxes with the desired features to be used in the tournament. All customizations **MUST** be requested ahead of time. The following features are available for custom Challenger systems:

- Challenger III control boxes (wired or wireless)
- Line-level audio output
- Wired Challenger control boxes with 16 plug-in ports (which we recommend)
- Adjustable volume knob for volume control
- Pause button for both Challenger II and Challenger III boxes
- Jacks and daisy-chain cables for multi-system play

- Bonus button (for wired systems only)
- LED lockout for Challenger III systems
- Remote reset
- Remote timer control box

Individual buzzers will also be available for purchase, as will the following additional items: power supplies, replacement lenses (including all new colors), repair kits, battery clips, etc. Carrying cases may also be purchased, although they must be requested ahead of time.

Anyone 'reserving' a system ahead of time will be guaranteed their request, up to the point of availability of systems. While all reservations for ZeeCraft products will be guaranteed, there will still be items that can be purchased at the tournament. Please establish all reservations for special features by **12:00 PM ET on January 7th, 2026**. Any reservations for standard buzzer systems can be placed up to the start of the tournament.

ZeeCraft will have a representative this year at the state tournament. Repairs will also be available for those who pre-request it.

For more information, contact Scott Kroner at 800-662-7475.

# SPORTSMANSHIP

The OSSAA's vision for sportsmanship is built on expectations. Expectations that the school community—administrators, teachers, coaches, students, and patrons strive for displaying only positive behavior and good sportsmanship in everything they do at all interscholastic contests.

As educators we have the unique opportunity to teach the value of discipline, dignity, integrity, fairness and respect to young people each day.

We encourage all school personnel to take advantage of the opportunity and make a lasting difference.
