Regional/State Entry Guidelines:

- Regionals and State are considered one meet. Relays qualify as a team.
 - a) Relay swimmers can change from Regionals to State as long as the change does not cause a swimmer to exceed their maximum entry limit of four events.
 - b) If a swimmer swims 2 individual events at Regionals, the maximum number of relays they can participate in at regionals and/or State is 2. Regardless of the results of the individual regional events.
 - c) If a swimmer swims the 200 Medley Relay and the 400 Free Relay at Regionals they can switch relays at State and do the 200 Free Relay and the 400 Free Relay or the 200 Medley and 200 Free.
- Each Regional participant must have a name, school, grade, and events listed on the entries.
